

GC Council Sets Limits On Taverns, Total Of 65

No-Parking Zones To Be Established Downtown 4-7 P.M. On Fridays

Ordinances setting limits on taverns and package liquor stores and establishing four no-parking zones in the downtown business district between 4 and 7 p.m. on Fridays were adopted Monday night by Granite City council members.

The amendment to the liquor law establishes 61 Class A licenses for regular taverns where liquor can be purchased for consumption on the premises and four Class B licenses for package liquor stores, with \$300 annual city license fees for both classes.

The limits were based on the number of taverns and package liquor stores now in business. The proposal was made several weeks ago by Alderman Walter Nunn, following defeat of a similar restriction ordinance early last summer.

14-To-1 Vote

The new ordinance was approved by a 14-to-1 vote, with Alderman Mrs. Gabrielle Bettine opposed. Absent were Aldermen Charles Meyer and Frank Nemeth and Mayor Davis. Alderman Paul Rutledge suggested the amendment be placed on first reading since Meyer, who was another objector, and Mayor Davis were absent. However, Nunn presented it for immediate adoption.

Mrs. Bettine also said the amendment should be on the floor at least twice before its adoption, since the ordinance as well as the public were unaware of what the limits would be. Another Alderman, Arthur Wieser, said the limitations would not be the answer to the problem of parking, but the city had limits before and there was no answer to the problem. The city had a restriction for a 100-foot distance between taverns, but this was ruled illegal during a circuit court hearing last summer and the presiding judge suggested the city set limits on the number of liquor outlets.

No-Parking Zones

The Friday parking bans between 4 and 7 p.m. at four locations, all in the vicinity of downtown banks, are to be put up to facilitate the flow of traffic in the business district.

Signs are to be installed before strict enforcement is undertaken, but the ban may be started sooner through the covering of parking meters.

The 4 to 7 p.m. parking bans are to be in the 1900 block Edison avenue for a distance of 80 feet on the west side in front of the Granite City National Bank to permit a left turn into the bank's drive-up teller windows.

Another on the east side of Edison avenue from the alley in the middle of the 1900 block north to 20th street to permit a right turn lane.

Along the south side of 20th street, along the First Granite City National Bank from Edison avenue to State street.

And along the west side of State street from 20th street to the cross-block alley.

Violators are to be fined not less than \$5 nor more than \$200. Alderman Emerald Daves suggested the meters be removed entirely from the east side of Edison avenue from the Granite City National Bank parking lot driveways to 20th street.

Nameoki Relief Office Moving Into New Building

The Nameoki township relief office will be closed today and tomorrow for a move into the new town hall along Route 102, a short distance east of Route 111.

Announcement of the move was made during Monday night's meeting of the town board. Supervisor Harry Briggs said the new structure, erected on a lease-purchase arrangement at a cost of \$25,000, is not entirely completed, but floor filling can be carried out at a later date.

The board approved a resolution for payment of taxes on the building should it be assessed. The building actually is owned by the contractor and is being leased by the township with rent payments going toward its purchase. However, the township would pay taxes on the structure, if necessary.

New Subdivision

Town Atty. Nick Vasiloff was instructed to obtain more information from the State Sanitary Water Board on its report to the township that Kent Realty Co. plans a sewage treatment plant in the Pontoon Beach area to serve a new subdivision, Long Beach, where 300 homes are to be erected.

The tract is along State Route 102, about a half-mile north of Pontoon road and includes about 1400-foot frontage on Long Lake. Vasiloff said the township has been asked by the State Sanitary Water Board to determine if the subdivision will provide continuous maintenance for the sewage disposal plant. Kent said the sewage disposal plant is to be completed in the near future.

The attorney also was asked by the board to determine if the township legally could employ a dog catcher and maintain a township dog pound. The township dog is served by the county dog catcher. The township has a vacant dog catcher position which was vacated this week when the county dog catcher resigned.

More Petitions Obtained; Warfield To Quit Mayor Race

Petitions of nomination for city-township officers in Granite City were obtained this week by five additional persons.

The city had a restriction for a 100-foot distance between taverns, but this was ruled illegal during a circuit court hearing last summer and the presiding judge suggested the city set limits on the number of liquor outlets.

Retailers To Oppose Sales Tax Increase

Board Names Officers, Advocates Caution On Unified Transit Plan

Improvements for shoppers during 1960 and plans for 1961 were discussed Tuesday by the Associated Retailers and Civic Association board of directors, which voiced strong opposition to the state sales tax increase.

Courtesy also was advocated on a unified transit system. Business transactions included re-election of Maurice Rich as president and election of other officers for the new year.

Others elected besides Rich, operator of Rich's Ladies' Apparel store, were Gene Lichliter of the F. W. Woolworth Co., vice-president of retailing; Del Wittenborn of P. W. Hirsch, vice-president of collection; Sidney Aubrey of the Mercantile Credit Bureau; Fred Williams of First Granite City Savings and Loan; and Bernard Miller of Miller's Drug Store, secretary.

Erving L. Roaming was elected to the board of directors, replacing his late father, Mark Robbins of the Meyer Hurwitz Jewelry Co.

Also named as directors were Joseph Glick, Allen Jesse, Claude Cochran, Alvin T. Barnes III, Leon Berger, John R. Smith, Lester Huber, Irvy Todd, Arthur Koepfer, Robert Tolman, Vern Rhodes, R. E. Hohl, Dan Linder, Marvin Holtzman, Morris Heiman, Glen Hollis, Anthony Michel and C. E. Townsend.

Contact Legislators

Plans were made for Associated Retailers members to notify State Sen. Monroe and State Representatives Harris, Smith and Simon of their belief that the existing sales taxes of three cents for the state and a half cent for cities should not be raised.

Adverse effect on retail business in border areas, such as this and the Rock Island-Moline area, was cited in the discussion. It was brought out that the Illinois use tax generally is enforced only on autos bought outside the state.

Other communities also are to be asked to join in the effort before state financing plans are solidified. It was noted that a 41-cent sales tax has been a deterrent in Springfield but an alternate taxing proposal also is a possibility.

Force Reduced Service

Discussion of a consolidated transit system brought out belief that it might be set up to channel residents from all parts of the metropolitan area toward the St. Louis downtown district with other routes and service reduced or eliminated.

The board also discussed last year's elimination of Triangle

Hartman Only JP Candidate In Local District

The name of only one Justice of the Peace candidate will appear on the April 4 ballot in the local area District One.

Harry E. Hartman, 3340 Red Bud avenue, Nameoki township, who was nominated for the office during a Democratic Party caucus, is the only scheduled candidate.

The Republican Party declined to nominate, and no independent candidates filed prior to the closing of the filing period of last Monday evening.

Two aspirants had obtained petitions of nomination but failed to file. They were George Warnacke, a Mitchell area Justice of the Peace, and Mrs. Elvira Thurman, a Granite City Justice of the Peace.

For the single constable post in the 34-township district, four names will be on the April ballot: J. Walker Jr., 230 Woodlawn avenue, was nominated during the GOP nomination caucus, and three independent candidates—Oland Ebling, 2830 West 20th street, a Granite City constable who lost to Walker in the caucus, and two other Granite City constables, J. Oliver Lovance, 2564 Benton street, and Walter J. Emde, 1429 Niedringhaus avenue.

The Democratic JP candidate is a lawyer and is attorney for the city of Venice. He recently moved from Venice into Nameoki township.

Man Unhurt In Freak Auto Mishap Today

A man who was cleaning snow off the windows of a parked car early this morning escaped apparent injury when the car struck him after being hit by another auto, according to Granite City police.

L. N. Long of 1704 State street was helping his son-in-law, Eugene Miller of 1709 State street, remove snow from his car which was parked in the 1700 block of State street.

Granite City police said a vehicle being driven north by Charles Roddy, 47, of St. Louis, struck Miller's car as it stood at the curb. The Miller auto was shoved into the sidewalk and knocked Long to the pavement.

Officers Re-Elected County Plan Group Reviews Highway, Zoning Progress

Significant progress in highway and right-of-way acquisition was reported at an annual meeting of the Madison County Highway Study, Harry and County Planning Committee Monday afternoon. The meeting was held in Wood River.

All officers of the committee were re-elected for the coming year. They are G. W. Hoelscher, Granite City, president; Thomas Butler of Alton, first vice-president; Walter Hale of Wood River, second vice-president; and Albert H. Paul of Edwardsville, secretary.

Kluge noted that state programming for 1961 includes widening and resurfacing of Illinois Route Three on Nameoki road from the northern city limits of Granite City to Madison avenue.

Complete Ticket Filed This Week In Nameoki Twp.

A full ticket, headed by incumbent Tax Assessor Joseph J. Cohen, was filed Monday afternoon in Nameoki township for the April election to fill six offices, including a new three-member board of auditors to replace the five justices of the peace board members.

Cohen, clerk of the Township Progressive Party, was filed with Town Clerk Willard Hicks, who said yesterday there have been no further filings, but several queries have been received from prospective independent candidates.

Cohen resides at 2045 Rhodes street, East Madison, and running with him are John Karle, 4118 Lake drive, for the office of town clerk, and Gilbert Coates, 3339 Fairmont drive, State Park Place, tax collector.

For the board of auditors, Cohen has Gene C. Rotter, 1614 Minerva street; Herbert E. Polley, 4139 North drive, and William G. Schreiber, 1913 Harris street.

Incumbent town clerk is Hicks, who Harold Massa presently is tax collector. Karlechick is now a justice of the peace and Rotter holds the office of constable.

Hicks said it is likely that one or two other full tickets might be filed in the township before the filing period ends next Feb. 15.

Thieves Take Guns, Money, Whisky At County Tavern

Loot valued at several hundred dollars was taken in a burglary discovered yesterday morning at Orchid Lounge on U. S. By-pass 60-40 west of Mitchell.

A pay telephone was ripped off the wall and the coin box taken. Andy Rapoff, proprietor, said there was considerable damage to the wall.

Also smashed open were a music box from which \$40 to \$50 was taken and a cigarette machine, which was looted of an undetermined amount of cash. The back door lock was damaged on the inside, indicating the thieves left through the door after gaining entrance by climbing through a restroom window.

Other items taken included two guns, a 38 automatic and a 38 snubnose revolver, three cases of whiskey in fifth, eight pint bottles of whiskey, 14 half-pints of whiskey and about \$20 from the cash register.

Power Mower Taken

A riding type, 24-inch power mower was stolen from the yard of Woodruff Cavin, 2400 Bryan avenue, in an unseasonal theft reported Tuesday morning by Pete Murgie, 2409 Lincoln avenue. He said the thief took the mower probably was stolen late last week.

1953 Auto Stolen

Theft of his 1953 light green four-door sedan from the vicinity of Niedringhaus avenue and Cleveland road was reported to Granite City police Tuesday evening by Pete Murgie, 2409 Lincoln avenue. He said the thief took the car from his home at his home.

Enlarge Intersection

In addition, improvement and enlargement of the intersection of Nameoki road with West Pontoon road, Pontoon road and Route Three is planned for this year, the committee was told.

The intersection improvement is expected to tie in with the county's construction of a four-lane concrete pavement for the entire length of its section of West Pontoon road in 1960.

The city government has discussed a similar improvement

ment for its section of West Pontoon road, between the widened highway pavement, and the scheduled Nameoki road intersection project.

Route 67a Extension

Kluge also said right-of-way acquisition is scheduled for 1961 on the extension of the "river-front road." Alternate Route 67a from the Hartford diversion canal to the new Interstate Route 70 near Mitchell.

Cooperative state highway projects within the city limits this year will include widening and repaving of Madison avenue in Madison.

Inspection Of Maps

Plans were made for a special meeting of the citizens' planning group to inspect the maps and review the zoning proposals before the hearings. No date was set.

Madison, Venice Filing To Open; Lee To Run Again

Incumbent Venice city officials will seek re-election this year, it became known today as the Madison and Venice city filing periods drew near. Filing will begin at 8 a.m. Monday at clerk-controller offices in both the Madison and Venice city halls.

Three circulating petitions in Venice include eight candidates of the Civic Improvement Party. Dr. John E. Lee, 1230 Klein street, mayor; William M. Eberstadt, 804 Third street, city clerk; Bernard Anderson, 604 Niedringhaus avenue, city treasurer; Wesley Edwards, 818 Third street, police magistrate; Edward Henry Buente, 924 Main street, first ward alderman; Hank Svezia, 619 Broadway, second ward alderman; Louis Ratliff, 505 Mercedia street, third ward alderman; and William M. Eberstadt, 1000 Market street, fourth ward alderman. All are incumbents except Ratliff.

No date was set for the hearings, No date was set.

At the hearings, suggestions will be received and acceptable controls discussed. Recommendations then will be submitted to the county board for adoption of a zoning and land use law.

The committee also discussed proposals for a second ward airport in the metropolitan area and celebration of the 150th anniversary of Madison county on Sept. 14, 1962. First meeting on the celebration has been called for Jan. 26 by Chambers of Commerce of the county.

Improved Service

"With the addition of these three plans," Burnett said, "the city will have general supervision of the local plant. The division's headquarters are in New York. Other divisions deal with industrial products, asbestos materials, perlit, diatomite, wood fibers, mineral fibers and rubber."

Transfer of the asphalt roofing plants here and in Cleveland, O., and a dry felt mill at Avery, O., was announced jointly by the two cities.

Henry W. Collins, president of the Celotex Corp., which has main offices in Chicago, said Celotex will continue in the asphalt roofing business on the West coast, where it has a large, integrated asphalt roofing plant and felt mill at Los Angeles.

C. B. Burnett, president of the Johns-Manville Corp., said Celotex customers supplied by the local and Ohio plants will continue to be served by the new owner.

Celotex Plant Sold, No Major Changes

Johns-Manville Corp. To Manufacture Asphalt Roofing Products Here

Purchase of the Madison plant of the Celotex Corp. and two Celotex facilities in Ohio was announced today by the Johns-Manville Corp. of New York. No major changes in operation of the local asphalt roofing plant are planned, and it was indicated that present personnel will be retained.

While details of the purchase have been submitted to the U. S. Department of Justice, preparations for the transfer are being started, the Press-Record was told by a spokesman in the Madison plant. It is expected that notification will be received shortly that the government plans no opposition under anti-trust regulations.

The plant here produces roofing materials in single and roll form. Employment in the plant runs from 70 to slightly over 100, standing at 73 at present, and its manager is Allen Beucher. It was formerly known as the Barber Asphalt Co.

The new owner will have four plants and 42 plants following completion of the three-plant purchase. Johns-Manville mills are located in the United States, Canada, Belgium, England and Mexico, and its sales are worldwide.

GC Council Oks Zone Change For Elderly Housing

Rezonning of a 124-acre tract of the Udeli Blischoff farm from the present R-2 single dwelling classification to R-5 multiple housing unit was approved Monday night by Granite City council members to pave the way for construction of 100 apartments for the elderly by the Granite City Housing Authority.

The council received a recommendation from the City Planning Commission for the change, and the amendment to the city zoning code was approved unanimously with suspension of rules. The city's approval of the zone change is to be forwarded to the Chicago office of the Federal Housing Administration, which last year gave a \$20,000 planning grant to the housing authority. Design of the apartment units is being completed by Gabriel & Duigeroff, local architects, and many of the steps toward acquiring construction funds are in final stages. The tract is located at the end of the 2800 blocks of Edwards and East 25th streets in the vicinity of Kirkpatrick Homes low-income housing project. Also approved by the council, based on a recommendation by the Planning Commission, was a zone change from R-5 residential classification to C-1 commercial for a two-story dwelling at 2038 Edison avenue. The change was requested by the law firm of Moran, Beatty & Hiscott, now located at 1930 State street. The law firm plans to move its offices to the new location, which is to be remodelled.

Police Recover 2 Furs Stolen From Home In Madison

Madison police this week recovered furs valued at \$350 stolen Dec. 22 from the home of Mrs. Pearl Jackson, 809 Jackson street, West Madison. They were returned to the owner, and the department's investigation of the burglary is continuing. No arrests have been made. Interviewing people from Madison, Venice, St. Louis and East St. Louis and the surrounding area, Madison police learned that some of the articles taken had been sold on the street in the vicinity of Leffingwell and Franklin avenues, St. Louis.

Local officers worked with St. Louis police in investigating in that neighborhood, and found a lady who had bought a fur stole valued at \$400 for \$5 from a man on the street at Leffingwell and Franklin. Further checking in St. Louis showed that another fur stole, valued at \$550, had been left for safekeeping in a nearby business establishment. Both furs were obtained and given to Mrs. Jackson by the police, who said there is hope of recovering other items from the burglary. Also taken were a \$300 brown and white fur scarf, an \$80 black cashmere coat, an \$80 blue cashmere coat and a \$70 .38-caliber revolver.

Exams For State Job Openings Set For Tuesday

Examinations to qualify for jobs in state institutional, professional and technical fields will be given from 9 a. m. to 2 p. m. next Tuesday at the Alton office of the Illinois Department of Personnel, 87 Henry street, according to State Director Maude Myers.

Representatives will be on hand to interview applicants. Job openings are for bacteriologist and chemists, stenographers, fish and game biologists, guards, industrial therapists, key punch operators, marketing specialists, meat and poultry inspectors registered and practical nurses, veterinary meat inspectors, X-ray and radio operator technicians.

Brake Failure Blamed For Two-Car Crash

Failure of brakes on one auto was blamed for a two-car crash early Wednesday morning at 17th and State streets. No injuries were listed. Police said Verna M. Ahner, 24, of 849 Niedringhaus avenue, was traveling east on 17th street when the auto brakes failed. The other car was being driven south on State street by John E. Dollins, 23, of 824 Washington avenue, Madison.

Council Getting Tougher On Claims Against City

Three claims against the city were presented to the Granite City council Monday night, all involving difficulties with motor vehicles. The aldermen referred an injury claim notice to the city attorney, voted down payment of \$16 auto damage bill and took no action on a \$10 tow bill.

The injury claim notice was submitted to the city for Bobby B. Whitford, 2233 Missouri avenue, whose attorney pointed out his client was injured in a traffic accident at Adams street and Niedringhaus avenue last July 28, involving a city dump truck operated by Philip Merz.

The claim for a \$16 repair bill was submitted by Joseph Timmons, 2021 Benton street, who said a fender on his car was damaged last July 20, when the left front wheel dropped into a manhole at the 2100 block of Adams entrance between Benton street and Cleveland blvd.

Complaints May Change Zone Hearing Notices

Complaints by residents of the 1500 block of Iowa street, made Monday night when council members were considering an amendment to the city zoning code may result in street numbers being placed in legal notices for rezoning hearings. At present, the legal description is inserted in the notices as specified in the ordinance.

The residents objected to the proposed change for lots owned from R-3 residential to M-1 light industrial for operation of an auto body shop. About 10 residential property owners were present and at least three spoke to oppose the zone change.

Unaware Of Proposal

They pointed out they were unaware that the proposed change was in their neighborhood and did not attend the hearing conducted last Friday when the City Plan Commission approved the change since there were no objections. An auto body repair shop is planned for the site.

The change was requested by Wasyl K. Kozur, Kenneth L. Allen and James L. Little. Their attorney, Randall Robertson, said the proper procedure had been followed, but that in the future he would insert street addresses as well as legal descriptions in zone hearing notices handled by his office. He pointed out that other property in the block also was zoned M-1.

Decision With Council

In view of the objections, council members were going to refer the matter back to the Plan Commission for a possible rehearing, but City Attorney William Beatty explained the commissioner had proceeded in the proper manner and the final decision rested with the council.

The residential property owners said that with auto body shops in the neighborhood, they expected property values to drop. Several aldermen pointed out there were other light industries in the same block.

First Ward Alderman Estlin W. Schmitt and Frank Nemeth are to review the proposed change and submit a recommendation to the council.

Man Tries To Lure Boy, 11, Into Auto

Granite City police are searching for a man who tried to lure an 11-year-old boy into his automobile with an offer of 50 cents.

The incident occurred about 9 p.m. Monday in the 1700 block of Chestnut street, where the man was sitting in a parked car and the boy was riding by on his bicycle.

The man called to the boy and offered him 50 cents to get in the car and go for a ride with him. When the boy refused, the man said he would give the boy 50 cents if he would just get into the car.

Again the boy refused and the man said he would be waiting for him the next afternoon when he got out of school. He did not appear.

The boy was unable to give police a description of the man or auto.

Two Men Classified As Draft Delinquent

The county selective service office at Edwardsville today reported that two men registered with Quad-City area Board 167 have been declared delinquent, and anyone knowing their whereabouts is being asked to notify the county office by telephoning Edwardsville 198.

Listed as delinquent are Walter Gene Chesser and Frank J. Noel.

GO TO CHURCH SUNDAY

bill after a motorist filed a claim of damage resulting from a defective curb protruding into the street.

However, Alderman Arthur Wheeler stressed that Timmons had notified the city of the defective manhole cover several times, while there had been no advance notice of the broken curb.

"Up To Council"

City Atty. William Beatty was called upon for an opinion. He said the matter had been referred to him before by Alderman Rufus LeMaster. He said the claim could be interpreted two ways—in a legal manner or "dollars and cents." He added, "It's up to the discretion of the council."

Wheeler called for approval of the \$16 payment, which was voted down 5-0-3.

The other claim for payment of a \$10 towing bill was presented by Alderman Emerald Doves, who said a resident of the 4000 block of Rode avenue lost a day's work and had to pay \$10 to have his car removed from a city sewer line excavation.

It was determined the project was under construction at the time, and the council members suggested the resident present his bill to the contractor.

Mrs. Anna Lakatos Dies At New Orleans

Mrs. Anna Lakatos, 64, of 2941 Pershing avenue died at 1:30 p.m. Tuesday at a New Orleans, La., hospital, apparently of a heart attack. She had been a patient there since Sunday.

Mrs. Lakatos had been visiting her daughter, Mrs. D. G. (Ann) Smith, who lives in the suburbs of New Orleans, and had been there for one month.

Born in Hungary, Mrs. Lakatos came to Granite City in 1908. Her husband, Frank, died in February 1950.

She was a member of the Sacred Heart Catholic church, and belonged to the Altar Society of the church. She was also a member of the William Penn Fraternal Association.

Her son, Frank Jr., was formerly city inspector of Granite City.

Also surviving, besides her son and daughter, are another daughter, Mrs. Roy (Betty) Dees of Litchfield; a brother, John Fedorchak of Granite City; and 12 grandchildren.

Her remains were brought to a Granite City funeral home. Arrangements are given in the obituary column.

County Board Fails To Act On Tavern Bill

The Madison county board of supervisors at its meeting yesterday in Edwardsville failed to take action on a proposed ordinance which would provide a fine up to \$200 for tavern operators in unincorporated areas violating closing hour regulations.

Copies of the proposed ordinance, drafted by the state's attorney's office several months ago, were received too late by board action at the Dec. 24 meeting.

There was no mention of the proposed ordinance at yesterday's meeting, but it is expected to be a topic at a meeting of the county board's liquor license commission, which is held in its new quarters in the courthouse basement. Temporary seating was provided until desks and chairs are installed.

County Auditor John L. Kravak reported that \$42,400 had been collected by the liquor license committee during the 1960 calendar year on 157 licenses issued to taverns in unincorporated areas of the county.

Car Bounces Across Bridge Twice Tuesday

A St. Louis motorist escaped injury Tuesday morning when he bounced twice across busy U. S. By-pass 68-40 on the Chain of Rocks bridge.

State troopers were told by Mary Ann Barbores, 21, of St. Louis, that her car slid off of control as she was driving east and was on the west bridge approach. The car slid into the curbing on the opposite side of the highway then bounced back across the roadway into the bridge railing.

Luckily, no other vehicles were involved, the troopers said. Damage to the Barbores car was estimated at \$300.

2 Sets Of Twins Arrive In 1 1/2 Hours

Two sets of twins were born at St. Elizabeth Hospital within a one and one-half hour period Tuesday evening.

Mr. and Mrs. Oshali Warren, 4865 Warnock avenue, were the parents of the first set, a boy and a girl, born at 7:20 p.m.

The second set, both girls, were born to Mr. and Mrs. John H. Hoff, 1912 Rhodes street, at 8:47 and 8:51 p.m.

Warren is employed by the Western Trucking Co., and Hoff is an employee of the Granite City Ice Cream Co.

Jaycees Present Award To Art Director Aiassi

Eugene Aiassi, art director for the Granite City school system, was honored last night by the Granite City Junior Chamber of Commerce with presentation of the Jaycees' annual "Recognition and Appreciation Award." The plaque was presented to Aiassi by Earl Parsons, Jaycees president, during a banquet meeting at Cline's restaurant. Parsons explained the award is based on the accomplishments of an individual for the betterment of the community and aid to the Jaycees.

Aiassi annually conducts a Christmas decorating and pack-up demonstration which has attracted several thousand persons over a period of years. He and his art students decorate the high school auditorium stage for various school and civic functions.

Parsons pointed out that Aiassi has done much to beautify the city both externally and internally and through his classes for both school-age youngsters and adults has brought out the talents of local individuals.

He also has unselfingly given of his time and talents to aid numerous local organizations in the programs they carry out. Parsons added.

The banquet was attended by about 25 persons, including groups from the Collinsville and East St. Louis Jaycee organizations.

Co-chairmen of the banquet were Robert Davis, principal of Central school, and William Robertson, vice-president of the American National Bank of Granite City.

Beer Distributor Suit Halted By Settlement

A settlement Monday halted a trial involving the Madison Products Co. of Madison on one side and the Carling Brewing Co., William Smith, a Carling official, and J. Fischer Distributors of East St. Louis. The dispute involved transfer of a Quad-City area Carling franchise from Madison Products to Fischer in August 1955.

John J. John, Jr. and Stanislawa Christoff of Madison Products filed a \$500,000 suit, alleging losses in expenses, advertising and future sales. A \$250,000 counter suit, contending slanders, costing Carling and Fischer potential profits.

Amount of the settlement was not disclosed. The hearing had been underway for a week before Circuit Judge Joseph T. Barr, with the plaintiffs alleging that the brewer and distributor had conspired to end a December 1954 written agreement under which Madison Product had been distributing Carling products.

Madison Products had handled Griesedieck Western Brewery products in the St. Louis area since 1954.

Murder Indictment Returned For Stamps
A murder indictment was returned for John William Stampe, 21, of the 2900 block of Myrtle avenue, by the January term of the circuit court grand jury in making its report Tuesday at Edwardsville.

The "true bill" of indictment for Stampe is a forerunner for a trial in connection with the fatal shooting last Nov. 4 of Lorenzo Oliver, 31, of Granite City. The shooting occurred at Fourth street and Madison avenue.

Stamps had been out on parole from Menard prison for burglary only a few days when Oliver was shot and killed, the jury reported.

The 22-member returned 32 "true bills" and two "no true bills" in 34 criminal cases. Evidence was heard last week. Arraignment is scheduled for tomorrow in the circuit court.

Officers Elected At Annual Church Meeting
Walter Harris, Frank Zenik, Ralph Anderson and Ralph Mayford were elected to the Vestry of St. Bartholomew's Episcopal Church at the congregation's annual meeting Tuesday evening. Garvin Butler jr., Walter Harris and Charles J. Mitchell were elected delegates to the diocesan synod which will meet in Mt. Vernon next October. Ralph Mayford, Sidney Magnus and Alfred Davis will serve as alternates.

Reports were given by the officials of the several parish organizations.

In other action, the congregation approved the conduct of a nursery during the 10:30 Sunday Mass.

At the organizational meeting of the vestry which followed the congregation's meeting, Chester Brockbridge was appointed rector's warden, Walter Harris was elected people's warden, Ralph Anderson and Robert Butler were re-elected treasurer and clerk, respectively. James died from a heart attack. He had been ill since April.

Two Tire Theft Reports
Two reports of tire thefts were received Wednesday morning by Granite City police.

Abe Hoy, 2649 Grand avenue, told police thieves broke a vent window glass in his 1950 model pickup truck to steal a white-walled tire and yellow wheel from in back of the seat. He said the truck was parked in the carport at his home Tuesday night.

The second theft, also a white-walled tire, was reported by Sterling Snider, 3760 Lake drive, who said the tire was removed from a 1940 model auto while it was parked on a lot at the Nunnick Garage, 1221 West Pontoon road.

4 Hubcaps Stolen
All four hubcaps were stolen from a 1957 auto on a lot in the 1800 block of Edison avenue, according to a report made Wednesday afternoon to Granite City police by W. McPherson, an official of Granite City Trust & Savings Bank. He explained the car had been repossessed and that the theft occurred sometime this week.

Theft of two hubcaps off a 1956 auto while it was parked in the 1700 block of Delmar avenue was reported to Granite City police by Melvin Shipman, 1718 Delmar avenue. He said the hubcaps were chrome and decorated with stars.

Theft of gasoline from her car while it was parked in the backyard at her home was reported to Granite City police yesterday afternoon by Mrs. Mary Kidwell, 2202 Illinois avenue.

In reviewing the past year, President Rich said the association obtained resumption of two-way traffic on 19th and State streets after one-way restrictions had lasted eight years, and arranged for weekly sweeping of downtown streets, on Monday mornings.

Off-Street Parking
"An off-street parking commission was named by Mayor Davis, and plans are nearly ready on the first of four sites to be developed for presentation to the city council," Rich said.

"Peaceful labor relations continued, and membership increased 10% to 370. The Civic Award dinner honored Granite City Steel Co. and the United Steelworkers at the biggest banquet in the history of the Quad-Cities, with 1200 attending and David Z. MacDonald, Steelworkers' president, speaking."

"The Retailers inaugurated and co-sponsored a dinner honoring firms in business 25 and 50 years."

K. Of C. 4th Degree Membership Drive
A drive for new members being conducted by the fourth degree, Knights of Columbus Council 1098, will end on March 1 and will be followed by an initiation on April 16 in East St. Louis, members decided during a meeting last night at the K. of C. home here.

A dance in honor of new members will be held at the home following the initiation ceremonies.

Fourth degree members will participate in a communion breakfast on Jan. 29 at the Sacred Heart Catholic Church.

Wednesday's program featured an address by Rev. Sylvester Mielch, assistant pastor of St. Mary's Church in Madison. He spoke of self-betterment through the setting of examples for others.

Madison Batters CM Eagles 74-29: Improves Conference Record To 5-0

"You don't look good winning this kind of a ballgame," said Madison varsity basketball Coach Earl McClanahan Tuesday night after his Trojans had buried Civic Memorial's Eagles 74-29 on the winners' court.

It marked the second time this season that Madison has come out best in the series with Bethalto, which has won only three of 15 starts. The Eagles battled all the way, but just didn't have the horses this time and were never in the contest after the first three minutes of play.

Sam Sharp's layup at that point in the game tied the score at 6-6, but it was the visitors' last field goal in the first period, which ended with the Big Green on top 21-8.

Madison used a press and marked rebounding superiority to move ahead 44-16 by halftime, and McClanahan meticulously called off the press and inserted everybody on the bench at one time or another in the contest.

Freeman Pops In 30
Steady Don Freeman, the most popular player on the court Tues-

day, found the range for 15 of his 20 points during the first half, and led all scorers.

He and Ed Walker, who wound up with 16 points despite an off night from the field, combined efforts with backline Dan Hrysko in executing some clever passing to set up easy baskets.

"I hated to pull off the press, especially since it's our best defense," said McClanahan, "but there was no sense in keeping it on. We pressed them at Bethalto and I thought they would be better prepared for it tonight. They weren't."

The Trojans intercepted numerous Bethalto passes, the back court while the full-court pressure tactics were employed, and Bob Jones' squad was just beginning to get the hang of things when McClanahan ordered his guards to fall back on defense.

Madison's Ken Griggs wasn't around long in the ballgame. He picked up four personals in the first half and his fifth sent him to the bench with only 20 seconds of the third quarter elapsed.

He was joined there a few moments later by Trojan regulars Freeman, Walker, Hrysko and Charles Venaryko, who watched substitutions move up.

Bethalto hit just 10 of 43 floor shots, while Madison was dumping in 30 of 78 from the field and 14 of 20 at the free throw line. The Eagles hit half of their 18 charity attempts.

Boost Conference Lead
The win, as important to Madison as it was easy to come by, boosted the Trojans one full game ahead of Roxana in the MWC standings. McClanahan's crew is 5-0 in the conference and 9-3 overall, and has now won five straight.

Lee Ashby's MHS Jayvees upped their record to 7-1 with a 71-55 victory in the preliminary game, with Cecil Bell, Bob Haynes and Charles Kossek each scoring 15 points.

The varsity scored: Madison - Freeman 20, Walker 16, Hrysko 12, Haynes 6, Venaryko 4, Shirley Barton 5, Ed Petty 4, Mick Gravelle 3, Griggs 2, Terry Andrews 2, Kossek 0; Bethalto - Dennis Madison 8, Jack Hefflin 6, Rich Windlow 6, Jim Pruitt 4, Sam Sharp 4, Larry Curren 4, Ralph Ferguson 0, Ned Bond 0.

VENICE NUDGES LIVINGSTON 67-63 TO END 11-GAME WIN DROUTH; CORRIE SPARKLES

John Corrie's 25 points and 14 rebounds cast him in a star role in Venice's 67-63 victory Tuesday night at the game of the MWC basement.

A home crowd watched the first triumph of the year unravel a plot of fierce shooting and rebounding by Corrie and a balanced attack by the rest of the Red Devils charged.

Corrie, 5-11 forward, went into the contest carrying a 10.8 average and upper his game to total 12.3 with eight fielders and nine free tosses.

Coach Jack Wells, whose team has suffered from lack of height and from inexperience, heaved a sigh of relief at the game and pointed the win could be the inspiration the team needs.

With marisman Larry Gray on the floor, another regular, Don Devany, benched, the Devils showed poise from the opening tipoff and kept it throughout the game.

Lead At Each Quarter
They led 19-11 at the end of the first period, but the lead slipped to 38-33 at halftime. Livingston moved closer in the third period, as the buzzer sounded the score was 53-52 in favor of Venice.

The game was decided at the free throw line, and Venice's powerful rebounding efforts lured the enemy into committing disastrous fouls.

The Devils commanded the boards in capturing 36 rebounds, while Livingston came off with 40.

Both teams hit on 24 fielders, but Livingston took more shots. Venice shot 73 times for a 33% shooting average and Livingston tried 77 times for 31%.

Lead At Each Quarter
They led 19-11 at the end of the first period, but the lead slipped to 38-33 at halftime. Livingston moved closer in the third period, as the buzzer sounded the score was 53-52 in favor of Venice.

The game was decided at the free throw line, and Venice's powerful rebounding efforts lured the enemy into committing disastrous fouls.

The Devils commanded the boards in capturing 36 rebounds, while Livingston came off with 40.

Both teams hit on 24 fielders, but Livingston took more shots. Venice shot 73 times for a

Taylor Wins 14th Straight, GCHS Stops Comanche Grapplers 28-17

Bill "Red" Schmitt's GCHS varsity wrestlers dropped four of the first six bouts to visiting Cahokia Tuesday night, trailed in points 12-10, and then rallied strongly to hand the Comanches a 28-17 setback.

It was only the second loss in 12 dual meets this year for Gene Muzzarelli's grapplers, who "were a little tougher than we expected," Schmitt said.

Granite City won its ninth dual in dual competition, and Ernie Taylor, only Warrior wrestler with an undefeated string going, picked up his 14th straight win by pinning his opponent in the 112-pound class.

"I think the pressure got to us," Schmitt said. "Some of the boys went out and wrestled very poorly, and we lost a couple of bouts I thought we should have won as the result."

Heavyweights Draw

The final standings showed the Warriors winning six bouts

and dropping five, with one draw. Granite City's Bill Ridings drew Cahokia's second competitor with a perfect record this season, Grady Hill, ran up his 12th win by defeating Roger Bloodworth in the 120-pound class.

The two bouts among the first six which GCHS grapplers were able to salvage were falls, or Cahokia's early lead might have been a bigger one. But when Sam Fazio recorded a pin at 158 pounds, the Warriors regained the lead and never trailed after wards.

District Here Feb. 10-11

Belleville comes to the GCHS gym at 8 tonight as the Warriors resume conference competition in which they are undefeated this season. Schmitt announced that 14 schools have entered the Granite City district wrestling tournament, set for Feb. 10-11, making it the largest meet of its type in the state this year.

The varsity results:

95—Marvin Jackson (C) defeated Tom Tindell 8-2, 103—Bob Luster (C) defeated Skip McMillan 6-4, 112—Ernie Taylor (G) pinned Dan Fields in 1:45, 120—Grady Hill (C) defeated Roger Bloodworth 7-2, 127—Buddy Felchlin (G) pinned Ron Whitfield in 5:45.

133—Claude Gardner (C) defeated Dan Brawley 2-1, 138—Sam Fazio (G) pinned Jim Grant in 1:38, 145—Edson Poole (G) pinned Tytus Winters in 4:27, 154—Bob Cruse (G) defeated David Winters 7-5.

155—Charles Haug (G) defeated Terry Bremer 8-0, 160—Jim Grider (C) defeated Bob Kary 3-1, and heavyweight—Bill Ridings (G) and Bob Brown (G) drew 1-1.

Lincoln Rams Lace Kinloch Squad, 62-48

Lincoln of Venice struck back at its Missouri rival, greeting them with a 62-48 lacing Tuesday night, and the boys from Kinloch were wondering what Coach Stan Lynch and his Rams had against them.

Lincoln was handed an 82-73 shelling last month when it played the St. Louis team on the west side of the river.

With the defeat still fresh in mind, Lincoln was determined to hand the rivals back across the river with a similar drubbing, and it did.

The Lincoln attack was more balanced than in past games. Thomas Hall, top scorer with 27.5 average, racked up 18 points. The charge was led by Robert Chavis, with 20 markers. Lincoln held a 30-26 halftime lead.

The win put Lincoln's won-and-lost record at 500 with 5-5. The next foe will be Red Bud tomorrow night on the enemy court.

Other scoring—Earl Crawford 12, Charles Hatter five, Eugene Cox four and Henry Rice, three.

I-C Committee Will Meet; Constitution Revision Due

A mid-winter meeting of a group selected to revise and rewrite the constitution and by-laws of the Southwestern Illinois Inter-City Baseball league will be held at 1:30 p.m. Sunday at the Collinsville VFW hall, 1234 Vandalia street.

Chief among constitutional revisions to be considered by the committee are the methods by which rain-out and postponed games are rescheduled, and qualifications for the league's batting trophy.

Findings and recommendations of the group will be submitted to the full membership of the league at its first meeting of the year in White City next month. League President Vernon Lucas said.

Constitution revision committee members are: League secretary—treasurer, Henry Huser of Troy; team managers, Ollie Miller of Meredosie, Charles Huston of Troy, John Harrison of McKean, Buick, Don Kriatovich of White City, Howard Darr of State Savings, Harlan Zohr of Highland VFW, Kack Kettle of the Maryland Red Sox, and Oliver Holmer of McAlester Glass.

Louis Miller of Edwardsville, William Morris of Madison and Wheeler King of Granite City, members of the league board of arbitration, also are members of the revision committee, together with Leroy Escher of Collinsville, who was named to replace the late Art Wallen, league statistician since 1957.

61-53 Victory For MHS Fresh Fragers

Four regulars hit in double figures last night as Madison high school's freshman basketball squad overcame a small early lead by host Dupo and went on to beat the Little Tigers 61-53.

Cecil Bell led all scorers in the contest with 26 points. Madison teammates Clinton Robinson and Lonnie Brown each scored 10 and Louis Leonard added 13 more.

Madison trailed Dupo 13-11 after one quarter, but was on top 28-26 by halftime. The squad will play next Wednesday at Prather junior high school, seeking to improve its 5-1 record.

Boy Scouts To Stress Character, Club Told

A motto of "Strengthen America—Character Counts" will be emphasized by the Boy Scouts of America during 1961, Madison Rotarians were told yesterday by Eugene Coe, scout executive of the Cahokia Mound Council.

Boy Scout goals, with the first letters spelling out the word "scouting," were listed as Service, Character, Others (citizenship), Universal (peace and understanding), Tolerance, Industriousness, National (patriotism) and God (religious beliefs).

Coe was introduced by Jack Friedman, program chairman. Plans were made for a joint meeting with the Granite City Rotary club Feb. 31 and a Valentine party Feb. 25.

YMCA Teen Town Clinches Title Tie With 40-38 Win

YMCA Teen Town remained undefeated in the Senior Teenage Basketball race by scoring a 40-38 victory over the Spartans last night at Nannooki school, and clinched at least a tie for the league title as two contenders were beaten.

Anderson Tire Co. whipped Phil Spence Studio 56-34, and the Trojans edged Bellemore Barbers 40-39. Spence Studio and Bellemore are tied for second place with 4-3 records. Teen Town is 7-0.

Teen Town scored only two points in the first quarter, but finally caught the Spartans late in the third period. Anderson had an easy time with Spence Studio after leading 27-8 at halftime, while the Trojans scored the only point in an overtime period to sneak past the Barbers. The score had been tied 39-39 after four quarters.

Jon Ash of the Trojans and Don Dillard of Anderson Tire were the league's top scorers Wednesday, both with 20 points.

Tuesday night, Madison rolled past Maryville 58-40 to remain undefeated in the Baptist Basketball league. Second Baptist topped Grace 64-47 in another game. Both contests had been re-scheduled from Dec. 23.

22 YMCA Boys' Teams Will See Action Saturday

Only one of the 22 teams in the YMCA's Saturday basketball league for boys, which schedules all its games at the Madison junior high school, is idle this weekend.

SOCIETY

PTA Hears Social Worker

Wilbert Jansen, a social worker from the East St. Louis Family Service Agency, was speaker Tuesday evening at a monthly meeting of the McKinley school PTA. "Good House" was the topic discussed, and a question and answer period followed the talk.

Vasil Georgeff, president, was in charge at the meeting and plans were made to purchase tickets for the area recognition dinner at the high school on Feb. 18.

The attendance banner went to Miss Ruby Meyer's second grade room, and refreshments were served by the fourth grade room mothers. Approximately 60 were present.

Mrs. Green Is Hostess For Club

Mrs. Margaret Green, 3333 Colgate avenue, was hostess to the Kartettes at a party in her home last night.

Nine were present, including two guests, Mrs. Bobbie Hudson and Mrs. June Morgan, and awards went to Mrs. Barbara Nemeth, Mrs. Helen Todoroff, Mrs. Betty Papp and Mrs. Frances Skolish.

A buffet luncheon was served by Mrs. Green and plans were made for a meeting Feb. 15 in the home of Mrs. Papp, 2330 Hodges avenue.

BETROTHED. Miss Linda Grace Willis, fiancée of Raymond Eugene Doolin. The engagement of the couple is announced by the bride-elect's parents, Mr. and Mrs. George Willis, 1527 Pontoon road. Mr. Doolin is a son of Mr. and Mrs. Elvis Doolin, d Reville lane. The wedding is planned for August.

Art Program Explained To Frohardt PTA

An explanation of the school art program was given Tuesday evening to the Frohardt PTA. Mrs. Charles Rodell conducted the regular monthly meeting, held at the school on Johnson road.

The pledge of allegiance was led by Mrs. Rodell, and the PTA prayer was given by Mrs. James Mobley. The president announced the annual appreciation dinner will be held in the cafeteria of Granite City high school on Feb. 18, with a lifetime membership to be presented to an outstanding PTA member.

Mrs. Robert Vespa, membership chairman, reported that more PTA members are needed and that the train trip plans for the winning group of a contest held last November are not yet complete.

Mrs. John Haynes, parent-education chairman, introduced a Principal William H. Marshall, who explained the subject under discussion and asked that the parents form "buzz" sessions under the banner of their child's teacher. Later, the members reassembled, and the findings of each group were discussed, with more important features explored in detail.

Mrs. Rodell introduced Mrs. Mathew Gormley of Alton, district scholarship chairman, and she explained the scholarship program, its needs and requirements, and how the awards are presented.

The state is divided into 33 districts, and each district gives one scholarship a year to a student in the upper 20% of his class who has good character and expresses the desire to become a teacher. Last year's district winner, Miss Ann Scholl, won the golden jubilee scholarship and was introduced by Mrs. Gormley.

Miss Scholl thanked the PTA members for their contribution to the fund and expressed appreciation for being able to continue her education with the help of the scholarship.

Eugene Aisell, art supervisor of the district's art instruction courses, spoke on the program in the school system and stressed the importance of art in each child's education, from kindergarten through the high school grades.

A letter was read by Alastair from George T. Wilkins, state superintendent of public instruction, and the state department's inspectors, commending the Granite City school system for introducing art into the elementary schools.

The fourth grade room of Mrs. Estelle Massie was awarded a prize for the largest parent attendance at the meeting.

Refreshments were served by the fourth grade room mothers. Mrs. James Mobley, Mrs. James Williams and Mrs. Earl McMillan, under the direction of Mrs. Lewis Rains.

Three out-of-town club women were special guests of the Nameoki Women's Club at a meeting Wednesday afternoon at the home of Mrs. Anna Marie. They were Mrs. Eldon Orr of Alton, Twenty-second District president of the Illinois Federation of Women's Clubs, Mrs. Wilson Schmeiser of Troy, president of the Madison County Unit, and Mrs. Paul Heister of Columbia, Ill., district membership chairman, all of whom discussed the topic "Why Federate?" and explained the work and purpose of the federation. A question and answer period followed.

Mrs. Robert Brandmark, Mrs. Merl Jennings and Mrs. Harold Stewart were hostesses to the club and a 1 o'clock luncheon preceded the meeting and program. Favors at each place were small corsages of purple chrysanthemums tied with gold ribbon, the club colors.

The program opened with the pledge of allegiance to the flag led by Mrs. John Lantz, and the club collect, by Mrs. D. W. Houston, both past presidents of the club. Mrs. Leo Schermer, president, was in charge.

Mrs. E. W. Walton was a new member enrolled and guests present, in addition to the three special guests, were Mrs. Victor Lisac, Mrs. Homer Blumenstock, Mrs. Charles Wade and Mrs. Arthur Roseman, all prospective members.

A program on local Civil Defense will be given at the February meeting of the club.

DAV Auxiliary Plans Hospital Party For Vets

Commander Laura Flach was in charge last night at a meeting of the DAV Auxiliary. The meeting opened with prayer by Mrs. Dorothy Best, chairman, and plans were made for a veterans' hospital party.

Mrs. Sybil Schueren was appointed entertainment chairman, and Mrs. Louise Schieff, junior vice commander, was named chairman and publicity chairman. Games were played after the meeting and there were prizes for all.

Presbyterian Circles Hold First Meetings Of Year

The circles of the United Presbyterian Women of First United Presbyterian church, 22nd street and Delmar avenue, held their first meetings of the new year Tuesday.

Meeting in the various homes and at the church, lessons were started in the new study books. "In Him Was Life" by Mary Ely Lyman will be used as a guide in the study of the Gospel of St. John for the year. "One Thing Needful" by Shubert and Eva Frye, the first of two Mission study books, also was begun.

Devotional topics for the monthly meetings are prepared from the Mission Year Book of Prayer.

Mrs. Harry Lewis entertained Circle One in her home. Fourteen members and a guest, Mrs. P. G. Stephens were present, and Mrs. Frank Barclay, chairman, presided. The devotional Bible study was presented by Mrs. Leonard Cichna. The February hostess will be Mrs. Fred Werner.

Mrs. Robert Edmonds opened her home to Circle Two and 12 members responded to roll call. Mrs. Richard Kerch, chairman, held a short business meeting which was followed by devo-

tional and the Bible study, both given by Mrs. James Henderson. Mrs. Della Fauly will entertain in February.

Circle Three met with Mrs. Ray Barr. Fifteen were present and Mrs. George Holtzsch, UPW president, was a guest. Mrs. E. G. Marshman presided, presiding the election of Mrs. Barr as chairman to fill the unexpired term of Mrs. Edwood Ackerman, whose resignation was accepted. Devotions were by Mrs. Edward Yates and Mrs. Holtzsch offered prayer. The Bible study was by Mrs. Otto Grosse.

Mrs. Lee Stevens, chairman of Circle Four, entertained 14 members and a guest, Mrs. David Maxton. Mrs. James Spinks and Mrs. H. E. Lueders gave the devotions and Bible study. The February hostess will be Mrs. Sam Myer.

Meeting at the church, Circle Five was entertained by Mrs. James Gardner and Mrs. E. N. Johnson. Mrs. John Lemon, chairman, conducted the meeting attended by 20 members and a guest, Mrs. Holtzsch, the organization president. Mrs. Walter David John was the hostess at the next monthly meeting. Circle Seven will meet this evening with Mrs. Warren Woodward.

Ruth Bible Class Holds Meeting

The Ruth Bible Class of Calvary Baptist Church held a monthly meeting Tuesday evening at the church, opening with prayer by Mrs. Beatrice Henry and a hymn by the class.

Devotions were led by Mrs. Henry and there was a short discussion on the forward program of the class. After the closing prayer by Mrs. Luella Prokes, cake and coffee were served by Mrs. Sue O'Master and Mrs. Hattie Marler.

Also present were Mesdames Pauline Travis, Della Stephens, Golda Ritchie, Esther Hoffman, Mabel Turnbull, Lillie Roberson, Ruth Connor and Dulsia Schepers.

study. February hostesses will be Mrs. Carrioco and Mrs. L. L. Ethridge.

Eleven members and a guest, Mrs. Charles Landis of Circle Seven, attended a meeting of Circle Six in the home of Mrs. A. T. Smith, chairman. Devotions were led by Mrs. James Fox and the Bible and Mission studies were given by Mrs. Alfred Page and Mrs. Glen Rice. Mrs. David John was the hostess at the next monthly meeting. Circle Seven will meet this evening with Mrs. Warren Woodward.

SOCIETY Church Group Holds Missionary Roundtable

A missionary roundtable of Calvary Baptist Church was held Tuesday in the home of Mrs. Bernice Snider, 3117 Wilcox avenue.

A discussion of books was held and reviews were given by Mrs. Viola Jones, Mrs. L. L. Bradford, Mrs. Beatrice Henry and Mrs. Rosalie Jones. The books were "The Unveiling of Sand and Stars," "The Edge of Tomorrow" and "Judaism."

Also on the program was Mrs. Audrey Brady, who discussed a world tour with her husband, Capt. Brady, and a number of the countries visited, including France, Germany, Holland, Switzerland, Austria, Spain and Italy.

A noon luncheon was served by Mrs. Snider to those mentioned, Messdames Benton Dickerson, Margaret Michaels, Thelma Phelps, Luella Prosser and Ruth Hancock and two guests. The closing prayer was by Mrs. Viola Jones.

The next meeting will be held Feb. 15 at the Prosser home, 2826 Iowa street.

Marshall PTA Hears Outline Of Special Class

Earl Lee, assistant to Supt. of Schools Harold Kaiser, outlined the need and goals of the remedial reading program in the schools at a monthly meeting of the Marshall school PTA Monday evening.

There also was a humorous skit in costume and dialect by the Tadlock sisters, Elaine and Diana.

The flag ceremony was conducted by Brownie Troop 45 under the leadership of Mrs. Jeanne Hasty; and Miss Mary Hopkins, school principal, introduced a new faculty member, Miss Diane Nocheff, who is teaching the third grade.

Plans were made by the PTA to actively participate in the Area PTA's annual appreciation dinner Feb. 18, and the attendance banner went to Mrs. Gene Tira's fourth grade room. Refreshments were served to the fourth grade room mothers.

Dorcas Class Aids Group

The Dorcas Class of First Baptist Church met Tuesday evening at the church.

Mrs. Lena Scarborough presided after the opening hymn and prayer by Mrs. Florence Medcalf and devotions were led by Mrs. Elsie Lung.

Among the business discussed was the project for the month, a contribution to the Retarded Children's Fund.

Refreshments were served by Mrs. Scarborough and Mrs. Rebecca Parrish to 16 members of the class.

CUB PACK 131 PLANS EVENTS
Cub Pack 131 of St. Elizabeth school met last night in the school cafeteria.

Cubmaster LeRoy Wakefield was in charge and the candy sale was discussed. The Pinewood Derby was run off and trophies were presented to Walter Great house, Jerry Podroza, Donald Butch and Joe Costello.

Corrigé events were discussed and Russell Cortat advanced to the Webelos at the meeting.

Awards were presented to approximately 20 other boys at the meeting.

GCB PARTY
HONORERS MRS. SCHERRER

Mrs. Lettie Scherrer, entertained the G. C. B. Club at a party at the Rose Bowl Wednesday afternoon in celebration of her birthday.

The luncheon table held a floral centerpiece and sharing birthday honors with Mrs. Scherrer was her niece, Mrs. Esther Baumberger, a guest for the afternoon.

Awards went to Mrs. John Harbig, Mrs. A. F. Buechte and Mrs. May McCauley. The next meeting will be held in three weeks at the home of Mrs. Dan Seymour on Lake drive.

Prather PTA Discusses Name Change, Projects

The first meeting of 1961 of the Prather Junior high PTA was held Tuesday, with Howard Wigger, president, in charge. He announced that the annual PTA dinner will be held Feb. 18 and the next Area Council PTA meeting will be Jan. 26.

Wigger explained that in the near future, a movie program can be held at the local theatre to help raise money for the PTA.

A petition was presented and explained to the group by Mrs. Nadine Frith to change the name of the school from Prather Junior high to West Junior high. It is to be presented at the next school board meeting.

Mrs. Mary Davis of the Washington school PTA, presented Wigger and the Prather PTA with a gavel.

Hobbies were displayed. Miss Marguerite Barker showed a doll collection, which she has obtained in several different countries. A coin collection was exhibited by Wigger, and an armband collection by Ronald Gunther.

"Baby sitting" was furnished by Girl Scout Troop 81, led by Mrs. Pauline Beeler.

Mrs. Haven Is Guest Speaker For B&PW Club

Mrs. Thelma Haven, women's personnel director for the Pet Milk Co. in St. Louis, was guest speaker last night at the monthly dinner meeting of the Quad-City Business and Professional Women's Club held at the YMCA.

Mrs. Paula Smith, career advancement chairman, was in charge of the program and introduced the speaker who discussed careers open for women, saying one of the most important of which is that of "the mother who is the heart of the home."

Other numbers on the program included piano selections by Walter Mathis.

Mrs. Verna Lengyel, president, was in charge at the meeting, which followed the dinner served to approximately 35 members and guests. Among the ladies were Mrs. Martha Seibold, Mrs. Dorothy Partney and Mrs. Hera Schumacher.

Miss Dorothy Davis, public relations chairman, will be in charge of the program at the next meeting which will be "Bosses' night."

Group Meets At Ebrecht Home

Group Two of Central Christian Church was entertained Wednesday afternoon in the home of Mrs. Adam Ebrecht, 2604 Grand avenue.

A dessert luncheon preceded the meeting which opened with the worship service led by the hostess. The topic was "A Way of Courage."

Mrs. David Parrish, leader of the group, conducted the business meeting and gave the lesson on "Together in Facing A New Day."

The members discussed sending cards and Valentine boxes of homemade cookies to shut-ins.

The next meeting will be held in the home of Mrs. Guyia Stuart on Center street.

Gay Gabbers Club Meets

A monthly meeting of the Gay Gabbers Birthday Club was held Wednesday afternoon in the home of Mrs. Helen McKimie, 2812 Portune drive.

A pot luck luncheon at 1:30 was enjoyed by the group and the birthday of Mrs. Vivian Davis was celebrated. A gift was presented from the club and the afternoon was spent at games, the prizes going to Mrs. Kathleen Clontz, Mrs. Betty Welch and Mrs. Bonnie Lazenby.

Others present were Mesdames Dorothea Rivenburg, Elsie Unger and Margaret Eitchers.

The next meeting will take place Feb. 8 in the home of Mrs. Rivenburg, 2318 East 24th street.

DEN MOTHERS MAKE BANQUET PLANS

Den Mothers of Cub Pack 24 sponsored by the Frohardt school PTA met Wednesday afternoon in the home of Mrs. Irie Watson, 3325 Terrace lane, to discuss final plans for the blue and gold banquet to be held Feb. 14.

Centerpieces and favors were made during the afternoon and there was a discussion of the ticket sale for the event.

MISS YEARMAN HONORED
AT BRIDAL SHOWER

A miscellaneous shower was held Sunday evening at the Odd Fellows hall in honor of Miss Janet Yearman, daughter of Mr. and Mrs. Albert Yearman, 210 Abbott street, who will become the bride of F. M. Arturo Saladin, son of Mr. and Mrs. come the bride of F. M. Arturo Netherlands Antilles, on Jan. 21 at St. Mark's Church.

Hostesses for the afternoon were Misses Gayle Chappell and Connie Johnnie. The room was decorated in red and white, and a wedding theme was carried throughout the decorations.

The bride-to-be was assisted in opening the gifts by the members of the wedding party. Miss Connie Johnnie, maid of honor; Miss Kathy Yearman, junior bridesmaid; and Miss Gayle Chappell, flower girl.

Games were played and prizes were awarded. Those present were Mrs. Virginia Yearman, Mrs. Barbara Chappell, Mrs. Sam Ferro, Mrs. Agnes Sham-bro, Mrs. Josie Johnnie, Mrs. Alice Sham-bro, Mrs. Juanita Pavlak, Miss Jennette Cicio, Mrs. Georgia Burns, Miss Carol McKinney, Mrs. Kathy Hargy, Mrs. Sandra Campbell, Miss Dorothy Koelker and Mrs. Beatrice Chappell, of Venice, to Amy Everts of Granite City, and Mrs. Etta Hodges of St. Louis.

A dessert luncheon was served by the hostesses.

SHOWER HONORS MISS JANET ROBERTSON

A miscellaneous shower was held Sunday afternoon at the American Legion Home in honor of Miss Janet Robertson.

Miss Robertson, daughter of Mr. and Mrs. Edward Robertson, 1309 Robin Street, will become the bride of Frank Cowley, son of Mr. and Mrs. Ivor Cowley, 630 Lincoln avenue, on Feb. 4 at St. Mark's Church.

The room was appropriately decorated with wedding bells and a color scheme of red and white was carried throughout the decorations. The bride-to-be was assisted in opening them by her bridesmaids, Miss Pat Wilkinson, Mrs. Rosalie Robertson and Miss Frances Mangi.

Games were played, and other prizes were awarded. A dessert luncheon was served to approximately 80 guests. Hostesses for the afternoon were the aunts of the prospective groom.

FELLOWSHIP ELECTS

The Children's Evening Fellowship met Sunday evening at the Venice Methodist Church. Rev. Craig Dillman, told the group the story of Dr. Schweitzer in Africa, and Scripture for the evening was from the first chapter of Genesis.

An election of officers was held. Those elected were: president, Boyce Dillman; vice-president, Joyce Dillman; secretary, Kenny Patterson; and game chairman, Judy Johnson.

Following the meeting, the group sang and played games. Others present were: Dwight Kutz and Brenda and Harry Long.

ATTENDS RETREAT

Rev. Craig Dillman, 419 Lincoln avenue, returned home Tuesday after attending a "spiritual life retreat" sponsored by the Southern Illinois Methodist Conference, held at the Giant City State Park in Carbondale on Monday and Tuesday. Speaker for the retreat was Dr. Truman W. Potter of Charleston, W. Va., and the program was made up of lectures, discussion periods and worship services.

Rev. James L. Nettleton of Mt. Vernon, Ill., director of evangelism of the Southern Illinois Conference, was in charge of the retreat.

Boy Scout Troop One met Monday evening at the Boy Scout Home with the scoutmaster, Harold Koelker. The boys present devoted the evening to passing tests. Those present were Dan Brown, Roger Schaffner and Guy Hill.

Mr. and Mrs. A. J. Harden, 1212 Robin street, spent Sunday at the home of Mrs. Harden's father, William Wachtel, 2501 Iowa street, where a celebration was held in honor of Wachtel on his 93rd birthday. Another daughter, Miss Julia Wachtel, also was present.

Rev. A. B. Sadler, pastor of the Venice Baptist Church, entered the Veterans Administration Hospital in St. Louis this week to undergo surgery.

Glen Sadler, 1251 Klein street, spent the weekend in Rolla, Mo., visiting Rev. and Mrs. LeRoy Sadler and family.

Charge Of Leaving Crash Scene Is Dismissed

A traffic charge resulting from an accident on a drive-in sandwich shop was dismissed Monday when the complainant withdrew, according to Police Chief Raymond Willard.

The charge of leaving the scene of an accident on a lot in the 1000 block of Madison avenue had been placed against Frank H. Huerta, 41, of 1728 Olive street on Jan. 7. The chief said the complainant was unable to provide proof that Huerta's car backed into his machine.

Committeewomen Plan February Dinner Here

The Madison county Democratic committeewomen's organization met in Highland Tuesday for a monthly meeting. Mrs. Lois Weeks of Mitchell, chairman, was in charge of the business meeting.

The Highland ladies were hostesses and served a potluck dinner. Several county officeholders were guests.

Those from the Quad-Cities who attended were Mesdames Weeks, Ida Dant, Mary Bridick, Maxine Costoff, Rhoda Grove, Oia Puhse, Lois Jones and Olivia Oliver.

The Granite City ladies will be hostesses for the February meeting, when a representative from the U. S. Social Security office will be speaker. He will be accompanied by Gene Jette, secretary of Cong. Melvin Price.

with his parents. He will then report to Sen. N. Y., to complete a three-year enlistment, and plans to enter college upon discharge from the service. While in Korea, the Madison high school graduate played on the Seoul champion-

ship basketball and softball teams and earned a green belt ranking in judo. He attended Notre Dame University and the University of Illinois for one year prior to enlisting in the Army.

MISS SALMON HONORED AT BRIDAL SHOWER

Miss Nancy Seaton, who complimented with a bridal shower Tuesday afternoon. She will become the bride of Mr. Joseph Church, Saturday at St. Joseph's Church.

Arrangements for the shower were made by Mrs. Salmon, Mrs. Dittich, Mrs. Raymond Stawar, Mrs. Charles Volski, Mrs. Marjorie Cross and Mrs. Ruby Wood. The shower was given at the Polish hall in Madison.

Appropriate decorations were used, with white bells and pink streamers throughout. The gift table was decorated with the same color scheme.

The bride-to-be opened the gifts, which were passed around for each view. Games filled the afternoon, with prizes being awarded to each winner. The tables were decorated, and a large cake was decorated with blue and white. Assorted mini-cakes were placed in various colored nut cups for favors at each place setting.

Venice Schools Seek More Student Band Instruments

Investigation of the procurement of additional band instruments for grade and high school students in the Venice school system was authorized by the school board Monday night.

Supt. John O. Pier was given the board's permission to attempt to locate used instruments which might be repaired at less than the cost involved in purchasing new instruments.

Band departments in the schools furnish music students with the majority of the instruments they use, and many students express the desire to retain the instrument when they move from the grade school to the high school band, Pier pointed out.

This leaves a shortage in the lower grades, he said. Next year instrumental instruction will begin in the fourth grade at Venice. It was suggested that instruments could possibly be obtained from Army Quartermaster Corps surplus stocks.

Board members also discussed the possibility of making special provisions in future school district budgets for the band department. Bills for band instrument repairs and supplies totaling \$74 were approved at the meeting.

Guidance Allocation

Pier said that \$386 is being made available by the state under Title V for guidance programs. To be purchased from these funds is a guidance counseling file cabinet costing \$64. Determination of the use of the remaining funds was not made Monday.

Approved was purchase of a metal cabinet for the Venice high school home economics department at a cost of \$32.

The school treasurer's report showed balances as of Dec. 31 of \$731 in the revolving fund and \$2821 in the activity fund.

Pvt. Craycraft Assigned To 101st Airborne

Army Pvt. Ronald E. Craycraft, son of Shad E. Craycraft, 1800 Primrose avenue, was assigned to the 101st Airborne Division at Fort Campbell, Ky., last week.

Craycraft, a rifleman in Company B of the 505th Infantry, entered the Army last August, completed basic training at Fort Leonard Wood, Mo., and was last stationed at Fort Riley, Kan.

The 19-year-old soldier is a 1950 graduate of Farmerville high school, where his mother, Mrs. Frank Zalar, resides.

"Youth For Christ" Move Is "Fan" Club

"We are 'fan-atics' for Christ just like there are 'fan-atics' in baseball, football and basketball," William Weston, director of the Youth for Christ movement in St. Louis, told the Granite City Rotary Club at its weekly noon luncheon meeting Tuesday at the YMCA.

He described the movement as "a challenge" for youth to live by the Bible, to live clean and have fun. Weston pointed out that the organization was founded during the world war II years to keep young people off the streets.

Asserting that many parents would be surprised at the number of high school students who indulge in dope, sex and drinking, he cited personal experience with such groups on "both sides."

"Good parental guidance is the only answer," he served to protect young people from these temptations arise. You would, I'm sure, be surprised to know that when my son was 12 years old he was held up to ridicule by others of his age because he was unfamiliar with sex."

Pointing out that he always carried a Bible in his pocket, Weston asked: "What's wrong with being a religious fan?"

He went on to say that if they do have problems, more so than we did at the same age."

Weston was introduced by Rev. George Sagen, pastor of the First Baptist church, and a special guest was Larry Rudolph, president of a local Youth for Christ movement which currently has 150 members.

Recognition for perfect Rotary Week was given to Frank Welch, 17 years; Raymond Huffer, 15 years; A. C. Stover, 14 years; Edward Meng, 13 years; Glenn Anderson, 12 years; Dr. E. L. Ackerman, 10 years.

Arthur Koepfer was installed as a new club member and Arthur Kayer announced there would be a Valentine luncheon for members and their wives Feb. 14 at the Rose Bowl.

President-Elect Thanks GC Women For Yule Card

Mrs. Cleve Whitaker, 2228 Orville avenue, who had sent a Christmas card to the Granite City Yule card, recently received a "thank you" letter from President-elect John F. Kennedy, acknowledging receipt of her card.

The letter thanked Mrs. Whitaker for "kind wishes and thoughtfulness."

Mrs. Whitaker, 46, a grandmother of six, created the card for her spare time and also has painted original creations, some which have been sold.

Small Girl Among 6 Hurt In Area Traffic Accidents

A small girl returning home from a Brownie Troop meeting yesterday afternoon was injured on Washington avenue near East 24th street where she ran from behind a parked car into the right front of a passing auto, police reported.

The girl, nine-year-old Sandra Pope, a third grader at McKinley school and daughter of Mr. and Mrs. Robert M. Pope, 2210 Lee avenue, was taken by ambulance to St. Elizabeth Hospital where she was admitted for treatment of a slight concussion and cut to her lower lip.

The report shows the girl was running west to east across the street, while the car was being operated south by Leonard E. Bickler, 27, of 2108a Benton street. The motorist told police the girl ran from behind a parked car and into the right front fender of his auto, the im-

mediate knocking her over backward.

Woman Injured Today
Mrs. Ralph (Opal) Compton, 23, of 4126 Braden avenue, was treated at St. Elizabeth Hospital for lacerations to the forehead suffered at 7:40 a.m. today when autos of Hugo Harbers, Edwardsville, and Norma R. Belmer, 4127 Alton road, sustained minor damage in a collision at Second and Hampton streets, Venice.

Four sutures were taken and x-rays of the skull were obtained before she was released.

Two Hurt In Bridge Crash
Two occupants of an east-bound auto were injured at 2:45 a.m. Tuesday when it skidded on frost-covered pavement atop the McKinley Bridge and slid 60 feet into a barricade, set up due to remodeling of the bridge.

A passenger, Paul Tindall, 37, St. Louis, was thrown out of the vehicle and suffered back and shoulder injuries and facial cuts. He was taken by ambulance to St. Elizabeth Hospital and admitted for treatment.

The driver, Clyde W. Conaway, 25, Route One, Arnold,

Mo., was booked by Venice police for destruction of city property and posted \$30 cash bond pending a hearing Saturday morning. He appeared unhurt but reported at 4 a.m. Tuesday to the St. Louis City Hospital for treatment.

The front end of the car was badly damaged, and the windshield was broken. The auto was towed to a garage.

Car Overturns, 2 Hurt
Two men in a convertible coupe escaped serious injury Monday evening when the car rolled over on its top in a two-

car accident at West 23rd street and Illinois avenue. The convertible top collapsed leaving about a 14-inch clearance. The two occupants were unable to tell police how they got out of the car virtually unscathed.

The report shows the 1960 convertible was being driven east on West 23rd street by Glenn Edelman, 31, of 911 Twenty-fourth street, with Larry Jones, 22, of 2409 Logan street, as a passenger. Jones, who is an Airman at Scott Air Force Base, went to the Engineer Depot for a checkup and was advised to go

to the Scott Base hospital for x-rays. He complained of a sore neck. Edelman suffered contusions.

Police charged Edelman with failure to observe a stop sign, at the report stated the stop sign was "twisted" at a 45-degree angle. He posted his driver's license as bond.

The other car was being driven south on Illinois avenue by Richard T. Carroll, 18, of 2308 West 24th street, who apparently was unhurt.

North Central Official Will Address Graduates

Professor Lowell B. Fisher of the University of Illinois, a former school administrator who is president of the Urbana board of education, will be guest speaker at the Granite City high school January 1961 commencement exercises at 8 p.m. Monday, Jan. 30.

The announcement was made by GCHS Principal Lawrence C. McCauley, who said Fisher is state chairman of the North Central Association of Colleges and Secondary Schools. Fisher also serves as coordinator of public school facilities and coordinator of school-university articulation at the U. of I.

Listed in "Who's Who in America," the commencement speaker served as president of the North Central Association in 1957-58. NCA is the accrediting agency for colleges and high schools in the Midwest, and in this capacity it sets many of the educational standards.

His participation in the North Central Association has included service as chairman of the commission on secondary schools, 1952-54; member of the executive committee, 1952-59; and honorary membership recipient conferred in 1960.

A member of the Urbana school board since 1951, Fisher has been a member of the Illinois School Board Association's editorial board since 1953. He edited "Your Life Plans and the Armed Forces," published by the American Council on Education.

Army School Consultant
Elected vice-president of the National Safety Council and vice-chairman of its board of directors beginning in 1952, he visited Army, Navy and Air Force dependent high schools in nine European countries for the Adjutant General's Office, Washington, in 1953.

He served as president of the University Club of the U. of I. from 1954 to 1958, and was a member in 1955-57 of the National Commission for Study of the Role of the Independent School.

Consultant for the Air Force and Army in Europe in the summer of 1957, he traveled to Eng-

land, France, Germany, Italy, Greece and Turkey. The following three summers were spent as consultant for the Army in Europe.

A member of the McKinley YMCA physical education board, the First Presbyterian Church and its future plans committee, Fisher is active in the Champaign-Urbana Kiwanis club and a former club director. He was vice-president in 1956-58 and president in 1958-60 of the Urbana Association of Commerce.

He holds degrees from Brown's Decatur Business College, Western Illinois University, the Columbia University Teachers' College and the University of Illinois. He has three honorary doctorate degrees and belongs to Phi Delta Kappa and Kappa Delta Pi, honorary fraternities. He is married and the father of two daughters, one attending Washington University, St. Louis, and the other a student at Urbana high school.

Moose 'Picket Fence' To Aid 'Dimes' March

Moose Lodge 272 members are aiding in the "New March of Dimes" drive with a "picket fence" fundraising effort in their club room.

More than \$75 has been netted from the group's campaign so far, and according to Fred Frame, secretary of the group, last year a \$300 mark may be surpassed.

The campaign will continue until Jan. 31, when the March of Dimes drive officially ends. Until then, for each dollar contributed by a member, a picket-with the donor's name on it will be added to the fence. Members donating \$5 will have their names placed on a fence post.

The money collected by the group will go into the Quad-City campaign fund.

Kiwanians Hear Talk On Giant Sequoia Tree

California's Sequoia tree, the tallest living plant in existence, was the subject of a talk by Marvin Dean, school engineer, at the Granite City Kiwanis Club meeting Monday at the Elks Club.

Dean illustrated his talk with slides of the coniferous trees which reach heights of more than 300 feet. It was pointed out that the perennials, which grow in northern California, are known to be at least 3500 years old.

He said the chances of a seed germinating are one billion-to-one.

In the business session, Eugene Frey, who was unable to attend installation ceremonies last week, was installed as secretary by District Lt. Gov. Orval Legate.

Legate and five other members of the Edwardsville Kiwanis Club were guests at the meeting, at which 25 local members also were present.

GC Man To Assist Drive To Expand Jewish Center

Pete Schermer, 2623 Delmar avenue, has been named as assistant to Jack Wiseman, Alton, recently appointed chairman of the Southern Illinois drive to raise funds for expansion of the Jewish Center for the Aged in St. Louis.

A \$2 million goal has been set, and more than \$1,600,000 has been collected so far. The money will be used to build a five-story pavilion, remodel existing structures and enlarge the present facilities by 100 beds.

TAX CONSCIOUS VOTER VIEWS ELECTION

Dear Citizens of Granite City: As the election is coming up in the near future, when we will elect various officers for our city.

Are we going to elect someone who will use our money for his own pocket? Or are we going to elect someone who will use our money for the benefit of all the citizens in this city. Let us stand up now for a fair deal. I suggest that we get together and vote for one candidate for mayor, etc. Not split up the ballot.

I for one suggest Don Partney for mayor or someone who will give us a fair consideration. And let us not elect one for life unless he or she proves themselves worthy of people trust.

CALLS FOR FACTS NOT PROPAGANDA FROM CANDIDATES

Editor Granite City Press-Record

Got out the income tax forms last night and had them remind me of how much of a bite the income tax deductions take out of my income. This together with the accusations of "give-away" tax—press-Record

Mr. C. E. Townsend

As the taxes dig deeper and deeper, the two or three weeks before election do not seem nearly enough time to devote to such an important event. Every voter has many things to occupy his time. He is not in a position to evaluate personally all the factors involved, even if he had the inclination. To a great extent he must rely on the Press-Record and word of mouth for his information.

It is in the interest of every taxpayer to protect his own pocketbook by looking for the facts in his sources of information. Sometimes this is difficult to do because of the propaganda involved. What is propaganda anyhow? It is not new. "The art of propaganda has been subjected to extensive study, but little has been discovered that is newer than practices of the earliest recorded civilization." A definition here seems to cover it well. "The concept of propaganda is a conscious attempt at mass persuasion." Reduced to simpler terms it seems to say, "Let's you and I see it my way."

Propaganda in itself is not wrong. We see it every day in advertising. "See it my way, buy my product" the ads say. The danger of propaganda lies in the attempt to paint a picture in the mind of the receiver of something that is not there. Propaganda has eight main categories: name-calling, glittering generalities, the red herring, flag waving, the half truth, the testimonial, plain folks and the transfer. These are aimed at creating in the mind of the receiver a picture or association which is often stereotyped. This "stereotype" or "stock image" is created by the receiver from his own experiences which may or may not coincide with the facts at hand. "The lazy or the busy person will prefer the stereotype to the reality, because the former comes automatically and the latter must be ascertained by

a process of analysis. The stereotype analogously, is a saver of time and energy; but unfortunately, too often occupies the place where thought ought to be, and deceives the holder as to its true nature."

For the next four months the voters are going to be subjected to propaganda. Walter Lippmann said, "None of us began to understand the consequences of propaganda, but it is no longer a prospect to say that the knowledge of how to create content will alter every political calculation and modify every political premise."

What's the point of all the above about propaganda? One, to ask each voter to begin thinking now about the next city election; and two, to ask each voter to look behind the high sounding phrases that are used to ask for the facts. To ask for the candidates to come forth with a program of how they are going to do it instead of the mish-mash we now seem to be getting. To show that propaganda exists and to point out that the chief antidote to antisocial propaganda is the well informed citizen.

ALDERMAN STRESSES IMPORTANCE OF VOTING

Mr. C. E. Townsend

Dear Sir: Did you ever go off on a tangent? I myself, would say you have. I now have that urge. I can't explain it, I do not know how it happens, and there is nothing I can blame it on. Well, here goes. Brace yourself, for I'm going way out on one.

First, I would like to pass on the thoughts concerning the two banks in the downtown district. It is my firm belief that these two institutions are holding the downtown district together. The First National Bank building is a thing of beauty. Here is a building, built for modern banking, complete with sidewalk drive-in or regular banking service. Ample off street parking has also been provided. Now let's look at the Trust & Savings Bank. This building is an old one in the term of years, but not in appearance. The continued modernization of this building, the time and temperature clock, the chimneys, the wringing of old buildings to provide off street parking, all these things have been done for the convenience of their customers and to beautify their building. This bank also provides sidewalk drive-in and regular banking service. These two firms are now, you are wondering what I'm getting at. Sometimes ago, I was told that there was jealousy between the two banks. I never did care for the word "jealousy", but if that is the feeling that will spur one bank to try to get ahead of the other, I am all for it. As a result, every person who uses the services of these two banks will benefit. It is my most humble hope that a little of this so called "jealousy" will rub off and our downtown district will blossom out.

Recent major improvements have been made by the Granite City Savings and Loan, and the State Loan and Saving. Especially the State Loan and

Savings Co., who has taken an old building and turned it into a beautiful one. It is this "jealousy" that occupies the mind in his place where thought ought to be, but the results are good.

Here I go out further. We have been reading in the papers about the increased unemployment in our city and in our country. I know first hand about the unemployment problem. What I can tell you what I am going to do. I have a few suggestions. I am going to look for that label, "Made in U.S.A. by Union Labor."

How many times have I purchased an item which had the label, "Made in Japan, West Germany or some other country besides our own. Maybe if each of us have our own private boycott of foreign made goods and buy American made, we as a group, may do our little part in providing jobs for our own people.

Here I go way out. It is not too early to start thinking about the city election in April. It is not too early for the people of Granite City to start to scrutinize the candidates for office. Sometime ago, an election was held to see if the people wanted a change in the form of Government. By a majority of better than two to one we did not.

I did not leave any doubt where I stood on this issue. I believe in a voice and vote for any public office, whether it is for the city, county, state or clear up to the man who sits in Washington. I believe it is not my right and privilege, but my sacred duty to cast my vote for a candidate for any public office. In April the people will vote to elect city officers to fill the most important offices in the city administration.

Here is where we can make known our desires by casting our votes. Again I say, it is not too early to think about the coming election. Let's all of us every voter who lives within the limits of our city, get off our backs and take time to scrutinize our rights with the ballot. Here is where we can make known our desires by casting our votes. Again I say, it is not too early to think about the coming election. Let's all of us every voter who lives within the limits of our city, get off our backs and take time to scrutinize our rights with the ballot.

In the beginning, Mr. Townsend, I told you I was off on a tangent. I am sure you now will agree with me.

KUENHOFF DISAGREES WITH STEELWORKER

Editor Granite City Press-Record

Today we are going to stick our neck out. Any objection? None, I suppose. Those of us agreeing with the opinions expressed in this letter, please do not hesitate to set us straight. We will take it and are always willing to learn a few things.

Yesterday we had the opportunity to see and hear once again the president of the United Steel Workers of America on television. We saw and heard him before on television. (Please take notice steelworkers!) It is interesting and educational.

Mr. McDonald is a fine speaker. He is well worth listening to. But yesterday we could not quite agree with his statements. The subject of the speech was well chosen and he also put his finger quite eloquently on the sore spots of our economical ailments, but the remedies offered by him we cannot agree with. We heard these things before. All the good things so far accomplished by the U. S. W. under Mr. McDonald's leadership, cannot convince us that it will make jobs for those laid off and have to support a family, by reducing the retirement age to 60 as he suggested when those over this age refuse to retire and stay on instead until they are 71 and receive a so called (double indemnity we call it).

Mr. McDonald is fully aware of this and we believe he has even on his national staff people who are way over their retirement age. What is he going to do about it. How is he going to induce these octogenarian idealistic union men to make room for those that have to rear a family, for those faithful who do the idle steelworker any good if the 32 hour week were established and those that are working would make 10-12 hours overtime per week? We don't think so. What we need today more than ever is a re-education and re-education to union (double indemnity we call it).

What if for one and one for all? What did happen when the U.S.W.'s won a vacation agreement one week, most members took their vacation pay instead of a vacation. An agreement was made that it was hard to believe for some idealistic union men that it was so easy to get a vacation. We are afraid that if this re-education and re-education to union men and their brotherhood and true unionism does not

take place soon, we are going to have a rough awakening to the real facts of life that will hit every union man in his boots. Go in the stores, any store, look at the foreign-made products of which you are not even sure if they are union made. In fact, they are foreign made, or could they be made in foreign lands with American capital, having fed the United States to be invested in foreign countries' manufacturing establishments, to come back as competitive products to our domestic markets?

Oh yes, it is time for an awakening. There is such a thing as saturation point. Has it been reached? Let us hope that the one very good suggestion of Mr. McDonald will materialize and that is "a commission of representatives of government, industry and labor to keep continuously its finger on the pulse of the economy."

Then let the chips fall where they may, industry as well as labor will have to be made to be self-sufficient in the will of the country for the well-being of all citizens. Live and let live. Is there any other way? If there is, let us know.

JOE KUENHOFF

MOSS DEFINES 'STATUS OF LEADERSHIP'

Editor Granite City Press-Record

Being born with the ability to train and lead and possessing a very positive attitude, I really think I can readily define the status of a born leader.

On Dec. 10, in a group conversation the names of three local boys were the topic and high-spirited discussion followed. All were defined as leaders in politics, possessing a progressive nature, civic minded and really outstanding in statesmanship.

At this point I became nauseated. My stomach began to erupt from my version of the stupidity of these weak minded leaders. I am sure that the me-too type of political puppets that would poison the minds of honest citizens to force their views of political exploitation for a few fast bucks and coerce honest voters by threats and promises to lead weeklings of their positions or jobs if they did come up with the wrong answer in prospective wards or precincts.

Now is this statesmanship and our American way of life? No doubt great men like old Abe Lincoln have turned out to be great leaders from the past rotten system in the prostitution of our present system of American Democracy. God, give us liberty or give us death from the evils of a system forced upon us by such political parasites.

A leader is born and trained from the first grade of a ward school all through the span of life to respect his fellowman, protect their interest and cause in our American way of life and not to exploit our fellow colleagues over the auction block.

National Declares 20 Cent Per Share Dividend

Common stockholders of the National Tea Co. will receive a 20 cents per share dividend for the first quarter of 1961. H. V. McNamara, president of the board of directors announced today.

The dividend will be payable March 1 to all shares of the company's \$5 par value stock on record as of Feb. 10. It is the 66th dividend payment.

For a few filthy fast bucks to further their own gain. Boys, you are all wrong. These 3200X boys are just plain politicians of the worst type. They are not statesmen or leaders. They are far from angels or children of God.

Honest candidates, protect yourselves against this type of devil. Vote right April 4, clear your conscience.

JOHN MOSS

Broiled tomatoes are delicious when they have a topping of bread crumbs mixed with butter; they're extra-delicious when added to a little grated cheddar. Parmesan or Romano cheese to the crumb combination.

Window Peeper Sought

A complaint was received about 8:20 p.m. Tuesday by Granite City police from a woman residing in the 2700 block of Washington avenue who said someone was peering in her bedroom window. All police cars searched the area, but the prowler was not located.

ATTENTION THIS MAY BE YOUR LAST CHANCE

To protect yourself from criminal prosecution and a stiff fine, if you owe Missouri State Income Taxes, Missouri is badly in need of more money and intends to forcibly collect these back taxes from non-residents.

Your chance for protection is made possible through the SOUTHERN ILLINOIS CITIZENS' LEAGUE, P. O. Box 437, Granite City, Illinois, which has a court fight now in the U. S. Federal District Court, contesting Missouri's right to "tax grab" hard earned money from Illinois residents.

Because of SICL's tax fight, victimized Illinois residents have the opportunity to pay these unjust taxes into an escrow fund which cannot be spent by Missouri without a favorable U. S. Supreme Court decision.

An SICL victory in this tax battle will mean that tax money paid into the escrow fund must be refunded to each league member. On the other hand, a defeat will mean thousands of Illinoisans will pay the Missouri "tax grab" this year, the next year, the year after that, and on, and on . . . and probably at higher rates through a payroll withholding plan.

Join the SICL, become a party plaintiff, and help outlaw this "freeloading" tax. Hundreds of victimized Illinoisans have done so, and their rights and interests are now protected from the Missouri Tax Raid.

Get your name on SICL's list of party plaintiffs . . . BEFORE 27 JANUARY 1961 . . . because a court order has forced the SICL to establish this as the closing date.

One Madison Auto Death, 72 Hurt, 236 Mishaps In 1960

One fatality and 72 injuries resulting from 236 traffic accidents occurred in Madison in 1960, an annual report by Police Chief Barney Fraundorf reveals.

Madison had gone 17 months without a traffic death when a woman pedestrian was struck down May 23.

In 1959, no fatalities were recorded, although 55 persons were injured in 237 accidents.

Of the 1960 figure—72 injuries—eight were pedestrians; 50 were hurt in two car crashes; three were injured in vehicle-train collisions; four were bicyclists; and seven were hurt when their vehicles struck fixed objects.

Ten Serious Injuries

Ten received injuries that required victims to be carried from the scene; 42 required treatment for cuts, bruises, swelling, limping or other painful movement; and 20 had no visible signs of injury, but complained of pains.

Of the 236 accidents, 55 were non-fatal injury crashes, and 44 vehicles were involved.

Nine were pedestrian-type accidents; 204 involved other motor vehicles; four struck trucks; four hit bicycles; and 15 hit fixed objects.

A total of 101 mishaps occurred on state routes within the city limits and 135 happened on other local streets.

Most in Middle-Age Groups
Age breakdown of those suffering traffic injuries was as follows: 0-4 years old, four; 5-9, six; 10-14, two; 15-19, ten; 20-24, nine; 25-34, thirteen; 35-44,

Circuit Court Tries 90 Cases In December

Decisions were reached in 84 civil cases and six criminal cases in the December session of the Circuit Court, a report this week by Willard V. Fortell, clerk, showed.

Twenty-three civil cases were dismissed and all criminal cases ended in convictions.

Some of the civil cases have been pending since 1955. Cases added during the month total 109, bringing the amount of cases pending as of Jan. 1 to 1857. Of these 656 are jury cases.

No criminal cases were added in December, leaving 107 pending.

Optimists Hear First Of 2 Programs On Communism

The first of a two-part program on communism was presented at the meeting of the Twilight Optimists Club Monday at Cline's Restaurant.

A talk with sound-slides was given by James Blaine, of the Four Freedom Study Group in St. Louis, which he explained is an organization dedicated to fighting communism.

The talk dealt with the aims and objectives of the totalitarianistic type government. Twenty members and three guests, George Sorotoff, William Twelcke and Marvin Wagoner, attended the meeting.

The second program is to be presented Jan. 30 at the Rose Bowl restaurant, and will feature brainwashing techniques used by the communists.

93 Pay Tribute To 2 Departing Executives

Tribute to their many contributions was given for two departing industrial executives during a recognition banquet Monday evening at the Rose Bowl restaurant.

Those honored were Thomas A. Sullivan, former manager of the local A. O. Smith Corporation who has been promoted and transferred to the firm's main offices at Milwaukee, and R. C. Tibbals, former works manager of American Steel Foundries, who also has been promoted and transferred to the main offices at Chicago. Tibbals sent a letter of regret, saying he was unable to leave Chicago to be present.

Postmaster for the evening was John McBride, vice-president and manager of the Union Starch & Refining Co. plant. The dinner was attended by 85 persons, representing the local organizations in which the two men participated. Sponsors included the Tri-Cities United Fund, Associated Retailers, East Side Manufacturers Association and the Tri-Cities Chamber of Commerce. Also present were the three local mayors and the executive associates in business.

Seated at the head table were A. A. Schweighauser, of Laclede Steel Co., vice-president of the manufacturers group; Paul Lichtenberger, president of the C. C. Maurice Rich, president of the Associated Retailers; Rev. L. J. Mattingly of St. Elizabeth's Catholic Church and Rev. Michael Costello of Sacred Heart Catholic Church.

State Oks Funds For Nevada And Woodlawn Ave.

State approval for the expenditure of \$90,000 motor fuel tax funds to improve three Granite City streets was received Monday night by the city council, and the city engineer was instructed to proceed with plans and specifications.

The state approved \$30,000 for curbs and pavement on Nevada avenue and West 23rd street and \$60,000 for similar work along Woodlawn avenue from Maryville road to Washburn avenue, with the Woodlawn avenue pavement to be 34 feet in width to permit parking of State street from 20th to 23rd street with removal of old trolley tracks of Route 101.

The project was to be submitted to the state highway department for its authorization.

Alderman Samuel Whitmer called for a construction resolution to be prepared and forwarded to the state for MFT fund approval after City Engineer Al Pearce estimated the project cost at \$45,000, with \$5000 of the amount for removal of the rails and ties. The engineer said the concrete base of the street is sound.

Whitmer pointed out that while the street has a concrete surface, paid for by the property owners, it is flaking and breaking and resurfacing could save it from further deterioration.

Alderman Arthur Wiegner stressed the city should keep a record of all costs for removal of ttr rails since the city has a lawsuit pending in which it seeks to require the railroad to pay the costs of track removal and resurfacing. He was advised the engineering office has such cost separation for all projects involving the city.

A resolution was adopted, also to be forwarded to the state highway department, asking an arterial designation for McCambridge avenue in the Tri-City Park area from the south city line to 14th street. If approved as an arterial thoroughfare, the street would be eligible for MFT funds for improvement.

County TB Group Maps Free X-ray Program

The Madison County Tuberculosis Association made plans last week for the free chest X-ray program to be offered in the Quad-Cities area in April and May, according to Dr. A. H. Rode, and Dr. E. H. Thies, of Granite City, executive board members.

The X-rays have been credited with discovering chest conditions in early stages when chances of cure are high.

Last year, 20,952 X-rays were taken in the county and 588 dis-

closed signs of tuberculosis, requiring patients to seek treatment.

Results of all tests are mailed out. The program is financed through the annual sale of Christmas Seals.

Excavation Along 21st St. Ok'd For Telephone Co.

Permission was granted by Granite City council members Monday night for Southwestern Bell Telephone Co. to excavate for installation of a cable on the north side of 21st street from a point 200 feet east of the Monroe street alley to the Omaha street alley line and then north 65 feet into Granite City Steel Co. property.

The line is to be placed a foot north of the 21st street pave-

ment.

Here's how the Wide-Track Pontiac keeps pace with your stepped-up driving schedule!

Pontiac for '61 is tuned and tailored to eliven the extra hours you spend in a car. Weight is trimmed to give you more action with less expense. Wider doors open farther to ease your getting in and out. There's more room inside. Outside, Pontiac has a more parkable, garageable size. You maneuver without effort, sit steady and straight on curves and corners. This comes from the built-to-the-road stability of new Wide-Track Pontiac and Pontiac's famous V-8 performance lets you take city or turnpike travel with assurance.

Choose the car that has kept pace with the change in your driving habits. Inspect, drive, select the '61 Pontiac of your choice.

Warriors Attempt To Halt Kahoks' 14-Game Win Streak Friday Night

Just how far Granite City's basketball warriors have progressed since they suffered an early season defeat to unbeaten Collinsville will be determined tomorrow night at the Kahoks gym when the clubs hook up in one of the two Western conference games on the week-end area game schedule.

Action in the loop for larger schools is slim indeed this week-end, with East St. Louis traveling to Alton for the only area game tonight, but the Kahoks-Warrior encounter should make up for it.

Granite City's Redmen apparently found themselves down at the Dupo tournament and are currently riding on a four-game winning streak. But the No. 3 ranked Kahoks hung two more scalps on their belt last weekend and ran their skinn to a perfect 14-0.

Triad Also Unbeaten
The only other team in this section of Illinois with a comparable record is Triad, winner of 13 straight without defeat.

Bogie Redmen apparently has completely recovered from a hair-line ankle bone fracture which kept him on the sidelines for a month, and his return to the starting Collinsville lineup bolsters the Kahoks chances of remaining undefeated Friday.

Two other starters for Virgil Fletcher did a major portion of

the damage to opponents while Redmen was absent. Redmen was in the lineup when Collinsville dumped Granite City here on last Dec. 9. He scored 13 points, but Madison transplants Fred Riddle and Bob Simpson each accounted for 20.

It's doubly tough for outsiders to win in Collinsville, but Warrior fans recall happily that it was Granite City which last accomplished an upset there in the regional tourney final last spring.

Collinsville's conference record is 6-0; Granite City is 2-1. Alton takes a 1-4 loop mark into its home contest with the Flyers, who have not won in the SWC this season in six tries.

Madison At Edwardsville
Only one game is on tap in the Midwest loop, with Bethalto (1-2) visiting Highland (0-4). Conference leader Madison engages the Tigers at Edwardsville at 8 p.m. Friday. Wesclin is at Aviston and Livingston at Worcen in the MVC Friday, while Triad looks for No. 14 in a row at St. Paul of Highland Saturday.

Venice will attempt to regain some of the ground lost to an early season Madison-Bond Clinton Counties conference race which kept them on the sidelines for a month, and his return to the starting Collinsville lineup bolsters the Kahoks chances of remaining undefeated Friday.

Two other starters for Virgil Fletcher did a major portion of

West Alton Edges
Prather, 60-56;
Lilly Hits 28

The spotless record of West Alton was nearly blemished by a bustling Prather junior high squad, but the undefeated team withstood a shooting attack by Larry Lilly to take its eighth straight win, 60-56, Monday night.

The lead changed hands throughout the game, but West Alton came on strong in the final seconds to ice the contest. The Prather ninth graders held a 42-39 lead at the end of the third quarter, but a 21-point fourth-period spurge by the enemy proved too much.

West Alton held a height advantage, but its defense could not keep Lilly corralled. The 5-9 player tossed in 28 markers. Rick Reutebuch was second high scorer with 17 points.

The squad will meet Coolidge Junior high in a 4 p.m. contest today at Prather. The overall win and lost mark of Prather is 3-7.

JOHN SIKORA, Madison high school product who has been named to captain the varsity football squad at Missouri Valley College, Marshall, Mo., this fall.

Sikora Is Co-Captain Of Missouri Valley College Grid Squad

Madison high school graduate John Sikora, just a junior but already a three-letter man with the Missouri Valley College varsity football squad, has been named to captain of Volney Ashford's club for next season.

The son of Mr. and Mrs. Michael Sikora, 807 Grand avenue, Madison, has been honored with the co-captain's designation during an athletic banquet at the Marshall, Mo. college.

While playing football at Madison high school under Coach Francis "Pat" Dunn, Sikora earned the nickname "Cannonball," one which has stuck during his tenure at Missouri Valley, which he attends on a football scholarship.

A guard while in high school, Sikora plays tackle on both the offensive and defensive Viking squads. Missouri Valley has for a number of years been a strong contender for the Missouri College Athletic Union conference championship.

Top 3 Teams Win Church Loop Games

First Assembly of God, Sacred Heart and St. Bartholomew's continue to run 1-2-3 in the Granite City park district's Church Basketball league. All three posted victories Monday night.

First Assembly beat back a fourth-quarter Trinity Tabernacle rally to win 62-48 at Coolidge Junior high school. Bud Gonnell pumped through 23 points and Paul Hollis scored 21 for the undefeated league leaders.

Second place Sacred Heart got 22 points from the league scoring leader, Paul Mosby, and more from Dale Pascha in a stormy St. Joseph's 67-55, also at the Coolidge JHS gym. Merced Mendosa racked up 21 points for the losers.

On the Prather JHS court Monday, St. Bartholomew's met last-place Nameoki Methodist and rolled to a 74-29 win. Pace-setters for the third-place club were Henry Nemeoki, Methodist, Mike Tritan 15 and Glen Spranklin 13.

Reverse Room Holds Slim Lead Over SIBPA Opponents

Reverse Room Club of Collinsville, the new first place tenant in the Southern Illinois Bowling Proprietors Association Traveling Classic league, will try to protect its slim lead Saturday night against last-place Pepsi-Cola of East Alton at the Mascoutah Community Lanes.

Granite City entry Bowland Schulte, shutout victor of Reverse Room last week but still in third place by 114 games, is matched with Ripley Bowling Pins of O'Fallon, one of three entries with 27-27 records that are tied for fourth place.

Palfast Beer, displaced as the No. 1 team after a long reign, is paired with Rusty's of Edwardsville. Belleville's Black Label Beer entry and Loman's Bowlers Shop of East St. Louis pair up to round out Saturday's action, which begins at 7 p.m.

The team standings and averages: Reverse Room 34-20, 970; Palfast 33-24-2014, 972; Bowland Schulte 29-25-2018, 983; Black Label 27-27, 970; Ripley Pins 27-27, 967; Rusty's 27-27, 951; Loman's 25-20, 949; Pepsi-Cola 15-35-937.

BASKETBALL QUEEN of Venice high school will be chosen from among these five candidates and crowned in ceremonies between halves of the Venice-Bunker Hill junior varsity game in Venice Friday night. From left to right are Jo Ann Fuller, Sharon Townsend, Jeannette Gonterman, Jane Johnnie and Linda Stern, all students at VHS.

Crowning Contests, Dance For Venice Basketball Team

Crowning of the 1961 Venice high school basketball queen will take place at about 7:30 p.m. tomorrow during halftime of the junior varsity game at the Venice school.

After participating as escorts to Misses Jeannette Gonterman, Sharon Townsend, Jo Ann Fuller, Jane Johnnie and Linda Stern, the varsity basketball players will don the uniforms and oppose Bunker Hill shortly after 8 p.m.

Then, on Saturday, a coronation ball will be held at the school, starting at 8 p.m. The new queen will reign at the dance, to be attended by VHS students and their guests.

ORDINANCE No. 19's
An Ordinance Amending Chapter 16 of the Municipal Code and Providing for the Regulation of Advertisements Concerning Real Estate.
Section 1: That Article 10 of Chapter 16 of the Municipal Code of the City of Granite City (1939) shall be amended by adding thereto Section 16.1000 which shall read as follows:
"It shall be unlawful for any person, firm or corporation to advertise any real estate for sale, either through newspaper advertisement, posting of signs or other methods, without stating in said advertisement or on said sign the zoning classification of the real estate under the ordinance of the City of Granite City."
Section 2: This ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.
Section 3: All ordinances and parts of ordinances in conflict herewith are hereby repealed.
WITNESSED by the City Council of the City of Granite City, this day of January, 1961.
APPROVED by the Mayor of the City of Granite City, this 13th day of January, 1961.
LEONARD R. DAVIS, Mayor.
Attest:
A. L. STEVENS, City Clerk.

NOTICE OF SALE OF REAL ESTATE FOR TAXES OR SPECIAL ASSESSMENTS AND NOTICE OF FILING PETITION FOR ORDER TO ISSUE TAX DEED
TO: EDWARD GLASPER AND UNKNOWN OWNERS OF DELINQUENT PERSONS INTERESTED IN THE SUBJECT PROPERTY.
You and each of you are hereby notified that on the 12th day of January, 1961, the County Court of Madison County, Illinois, entered a judgment and order of sale upon delinquent taxes and liens, and fixed the correct amount of said taxes and liens at \$1,000.00, and ordered that the same be sold on the 12th day of January, 1961, at the County Court House in Edwardsville, Illinois, purchased by the County of Madison County, Illinois, and the land and lots for the taxes, interest, penalties and costs due and unpaid for the year 1957, and for the special assessments due and unpaid for the year 1957, and that such delinquent taxes and liens are more particularly described as follows:

Lot Number Eight (8) in Block Number Three (3) in Watson Subdivision in part of Survey 621, as per plat thereof recorded in the Recorder's office of Madison County, Illinois, Plat Book 18 at Page 100; situated in the County of Madison and State of Illinois.
Such real estate so purchased was last taxed in the name of Edward Glasper. The time for redemption of said real estate will expire April 30, 1961.
On the 11th day of January, 1961, the undersigned, as petitioner in the County Court of Madison County, Illinois, filed a petition in which the undersigned prayed that the court enter an order directing the County Clerk to issue a tax deed to the undersigned in the real estate shall not be redeemed and the undersigned intends to make an application to the court on the 1st day of May, 1961, at the hour of 10:00 A. M. for an order on said petition that a deed issue to the undersigned if the real estate shall not be redeemed from the sale.

Speeding Charge
Nicholas E. Kiskela, 17, of 2005 1/2 Edwardsville road, Madison, was arrested Tuesday night at Omaha and Atlantic streets by Granite City police who charged him with speeding. Kiskela posted his driver's license as bond.

ACTIVE TEENAGERS in the "New March of Dimes" drive include, left to right, front row, Robert Kary, co-chairman of the Quad-Cities teenage program; Sue Cook, secretary to Mrs. Roberta Lambert, campaign director; and Terry Blankenship, chairman of the Catholic Youth Organization drive. Back row from left is Donald Lambert Jr. and David Poff, who are in charge of showing campaign films to various area organizations and William Ridings, co-chairman of the Teen drive.

Two Granite City high school students have been appointed co-chairmen to head the teenage "New March of Dimes" drive. It was announced today by Mrs. Roberta Lambert, campaign director.
Selected were William Ridings, president of the student council, and Robert Kary, vice-president of the council.
First steps made by the youths are to begin mapping plans to launch the "road show" to be conducted Saturday at various intersections in the Quad-Cities area and seek volunteers from team groups to aid in the effort.
Teenage will be in half vehicles and present donors with peanuts and candy mints. The project will be in cooperation with area police departments.
Also, later plans will be made by teenagers to collect funds by street solicitations, and a dance will be held.
Mrs. Lambert lauded the teenage participation in the drive and pointed out that a portion of the National Foundation fund goes to train high school and college students in nursing, medicine, medical social work, occupational therapy and physical therapy.
To date, more than \$600 has been received by Mrs. Lambert. The Quad-Cities area has been set up as a special practice area of local business places, and from organizations.
Although no goal has been set, Mrs. Lambert hopes the drive will surpass last year's total will be in cooperation with area police departments.

Zeugin to Demonstrate Model Ministry School
A Granite City layman-minister, Elmer C. Zeugin, 2610 Denver street, will be one of the participants in conducting a model ministry school program scheduled by the Jehovah's Witnesses at a semi-annual convention of 25 congregations in East St. Louis this weekend.
He will conduct a lesson review as the school gets underway at 7:15 p.m. Friday night, and will be in charge of the school. Zeugin, 60, has been a resident of Granite City 37 years and a minister since 1946, receiving his ordination at an international convention held in the Municipal Stadium, Cleveland, O., last year.
"As a minister and a citizen, I have both a vocation and an education," Zeugin said, in announcing his plan for the school. "Since one's vocation is one's most important activity, then my vocation is the Christian ministry; and secular work is an avocation by which I support myself and my family. Like Jesus and the apostles, my ministry to God is without charge."
Each congregation maintains a ministry school. Zeugin, ministry school instructor for the local congregation, conducts the local school at Kingston Hall, 1138 Madison avenue, each Thursday at 7:30 p.m.
At each weekly session, he conducts a review of the past week's lesson, provides for a 15-minute instruction talk on the current lesson, hears four

Farm Column

By TRUMAN W. MAY

Madison County Farm Adviser
Farmers should mark the date of Jan. 25 for the Area Dairy Day at Highland. It will be held in the Weinheimer building starting at 10:30 a.m. The program has been arranged for dairymen of Madison and nearby counties. For those on farm-to-market roads, the application should be made by January 20. Corn loan applications will be accepted until March 15. Purchase agreements on corn will be available through March 31.

Many timely tips will be given by four members of the University dairy staff. Some of the topics of current interest to be discussed include: high-moisture corn for dairy cows, dwarf corn and thickly planted corn for silage, maximum use of corn and corn silage in dairy rations, corn silage, harvesting hay at the best stage of development, use of urea, molasses, yeast, silage, vitamins and antibiotics, caring for calves and heifers, what's new in milking and handling milking machines. There will be two presentations in the morning and two in the afternoon each followed by question-and-answer periods. Lunch will be served at noon.

All people interested in dairying are invited to attend. The meeting should be unusually interesting and profitable for all dairymen.

The 1961 Agricultural Stabilization and Conservation program starts this week, states Earl P. Reid, county ASC office manager.
Cost-sharing conservation practices for this county in 1961 will be the same as last year, except that brush removal from pasture land as a special practice has been removed from the 1961 schedule. However, payments for brush removal can still be obtained if it is done in preparation for pasture improvement. If the improvement is completed the same year on the land from which the brush is removed, the cost-sharing will be of course the best time to complete full renovation of the pasture.

Many other ways to conserve and improve the soil are in the making in the cost-sharing practices available to farmers and landowners. Complete information can be obtained at the county ASC office in Edwardsville. An important thing to remember is that a request for assistance must be signed before the practice is started.

The county office is authorized to accept applications for commodity Credit Corporation warehouse loans through January 31 for loans on farm-to-market roads. The application should be made by January 20. Corn loan applications will be accepted until March 15. Purchase agreements on corn will be available through March 31.

Egg producers have been getting better prices for their eggs this winter, the best since the fall of 1957. Favorable prices will stimulate production, however, and lower egg prices are expected later in the year.
To help poultry farmers maintain egg production to take advantage of the present market, here are a few practical suggestions for managing the laying flock:
Mites and lice can infest a poultry flock in a very short time. They slow growth, lower vitality and reduce egg production. Heavy infestations can kill chickens. Inspect your birds and houses every 10 to 14 days for mites and lice. Begin treatment immediately at the first sign of infestation.
Do you have trouble keeping litter in the nests, especially when you add fresh material? Try adding it in late afternoon or at night. When the hens come off the roosts in the morning, they're ready to eat. Then they're ready to lay. After they've laid, the litter is used and the hens won't scratch in it nearly so much.
If you failed to repair brooding equipment after you stopped using it last season, order new parts now. Don't wait until time for the chicks to be delivered—it might be too late.
Moisture is likely to build up in the laying house now. So it's important to stir the litter frequently to keep it in a loose condition.
Are you making good wages feeding your laying flock? Or are you just paying for the privilege of feeding your hens? If you fill feed hoppers more than one-third full, your hens

are wasting feed and your time and money.

The acreage of spring oats has decreased a lot in the area in recent years, but fairly good yields can be secured by growing the new, improved varieties, seeding early, using a little fertilizer and above all, having enough cool, damp weather and not too much hot, dry weather. The crop matures early.

Varities recommended for both central and southern Illinois should be considered here as we are about on the dividing line for the two areas. Good varieties for central Illinois are: Minuteman, Clinton 60 and Newton. On high fertility soils where lodging may be a problem, Goodfield will probably stand up better. From their performance at the Brownstown Experiment Field in 1960, the two best varieties for southern Illinois are Missouri 6025 and Newton. The Missouri has moderate resistance to leaf and stem rust. Newton was outstanding in 1959 in areas where the yellow dwarf disease was present.

Enforcement Of Parking

Ban In 2100 Block Of Iowa
With no-parking signs replaced along the west side of the 2100 block of Iowa street, behind St. Elizabeth Hospital, police began Monday to place warning and arrest tickets on vehicles parked there.
The signs were replaced Monday morning with warning tickets issued in the morning and arrest notices in the evening.

Concealed Gun Charge
Lester P. Peach, 38, of 1317 Orville street, Venice, was arrested at his home at 4:12 a.m. Wednesday on charges of peace disturbance, drunkenness and carrying a concealed .25-caliber pistol and an open knife. He was held pending release on bond.

Registration will be conducted at the first class meeting on Feb. 2 and tuition will be \$24 per person. Instructors will be members of the engineering college faculty.
The professional engineer examination will be held May 4-5, with a final filing date of March 6. The examination for engineering-in-training will be held May 4, with an April 4 final filing date.
